

# Efficient Product Rebates

## Commercial Pool Equipment Rebate Guide

The following table lists the product requirements and rebates available for energy-efficient commercial pool products.

If your annual electricity consumption is less than 600,000 kWh (approx. \$6,000/month, not including demand charges) and you have not yet purchased your products, your business may qualify for rebates in addition to those listed here.

### Pool Pumps

Product	Criteria	Rebate
Pool Pump	<ul style="list-style-type: none"><li>• Must be a current ENERGY STAR® certified multi-speed, variableflow, or variable-speed pump</li><li>• Must be replacing a single-speed pool pump</li><li>• For new construction projects, please contact us before submitting your application.</li><li>• Recommend installation done and commissioned by a pool system contractor</li></ul>	\$350
