

LWB Communities of Practice present

ONLINE SAFETY WEBINAR FOR CYF STAFF AND CARERS

This webinar from the **eSafety Commissioner** will look at what we can do to start a conversation with children and young people about technology use and online safety.

Cost: Free

Date/Time: Thursday 28 May 2020
1.00PM – 2.30PM AEST

Audience: LWB staff and carers of children and young people (all ages)

Find out about other LWB resources to help keep kids safe online

[Register](#)

The session will cover

- Latest research into online safety and technology trends
- Ideas to ‘start the chat’ about harmful content and relationships
- Strategies for dealing with challenges
- How to get help if things go wrong
