LIFE WITHOUT BARRIERS

Life Without Barriers supports lots of people to live life the way they like.

We have lots of workers who help people all over Australia.

Because we support lots of people in different ways, we have to make sure we do the right thing all the time.

To help us, we have a special group of people called the **Board of Directors**.

Their job is to help us do the right thing by people we support.

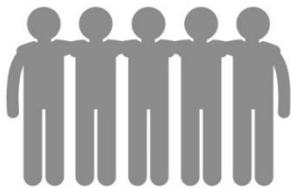

Our Board of Directors make decisions that are the best and fairest for the people we support and our staff.

Our Board of Directors is lead by the **Chair**.

A Chair is a person who has an important job. They help the Board of Directors do a good job.

The Chair supports the Board of Directors with things like

- ✓ Making fair decisions
- ✓ Making good plans
- ✓ Checking that people are following plans
- ✓ Talking about problems that need to be fixed

Being the Chair is a very big job.

This person needs to have lots of special skills and experience.

Life Without Barriers now has a new Chair of our Board of Directors.

His name is Greg Ridder.

Greg has lots of skills and important experience that will make him a very good Chair for Life Without Barriers.

Greg has been a Chair for other organisations too. This will help him lead our Board of Directors.

Greg is very good at leading groups and making plans to help people.

Greg is very excited to be the new Chair of Life Without Barriers.

We are also happy Greg has joined Life Without Barriers.

Please speak with your support network if you have any questions about our new Chair.
