

Contents | 2 vwo part A

1	ALGEBRA Linear formulas 6	3	ALGEBRA Roots 90
	Refresh 8		Refresh 92
1.1	Linear relations 10	3.1	Square roots 94
1.2	Formulas for lines 14	3.2	Adding and subtracting square roots 98
1.3	Sketching a line for a formula 18	3.3	Multiplying square roots 102
1.4	Making a linear formula 22	3.4	Cube roots 106
1.5	Directly proportional 26		
1.6	Line through two points 30		Maths is everywhere Sports day 110
	Maths is everywhere Fatbikes 34		Mixed exercises 112
	Mixed exercises 36		Summary learning goals Extra exercises 114
	Summary learning goals Extra exercises 38		Practice test 120
	Practice test 44		In depth Rational and irrational numbers 122
	In depth Shoe and clothing sizes 46		
2	STATISTICS Statistics 50	4	GEOMETRY Pythagoras' theorem 126
	Refresh 52		Refresh 128
2.1	Ratio table 54	4.1	Pythagoras' theorem 130
2.2	Pie chart 58	4.2	Calculating a side 134
2.3	Frequency table, bar chart and frequency polygon 62	4.3	Applying the theorem 138
2.4	Mean, mode and median 66	4.4	Pythagoras in solids 142
2.5	Conclusion from diagrams 70	4.5	Right, acute or obtuse 146
2.6	Grouped data 74		
	Maths is everywhere The Netherlands onion country 78		Maths is everywhere Pythagoras in images 150
	Mixed exercises 80		Mixed exercises 152
	Summary learning goals Extra exercises 82		Summary learning goals Extra exercises 154
	Practice test 88		Practice test 160

5	ALGEBRA
	Quadratic formulas 162
	Refresh 164
5.1	Removing single brackets 166
5.2	Removing double brackets 170
5.3	Shortening formulas with brackets 174
5.4	Quadratic formulas 178
5.5	Quadratic equations 182
	Maths is everywhere Posters 186
	Mixed exercises 188
	Summary learning goals Extra exercises 190
	Practice test 196

6	GEOMETRY
	Area 198
	Refresh 200
6.1	Triangles 202
6.2	Parallelograms 206
6.3	Trapezium 210
6.4	Circumference of a circle 214
6.5	Area of a circle 218
	Maths is everywhere The wolf 222
	Mixed exercises 224
	Summary learning goals Extra exercises 226
	Practice test 232

Arithmetic
Arithmetic 1 234
Numbers 236
Adding and subtracting whole numbers 236
Multiplying whole numbers 237
Dividing whole numbers 238
Order of operations 239
Calculating with time 239
Simplifying, adding and subtracting fractions 240
Multiplying fractions 241
Dividing fractions 243
Calculating with decimal numbers 244
Adding and subtracting in a smart way 245

Index 246
