VERSE 1 & 2

Heaven has a song
And we're leaning in to hear it
All around Your throne
The saints and angels sing it
Holy is the Lord
The source of our salvation
You're the only one
At the center of our praises
The center of our praises

CHORUS

We are here for You God
Nothing else matters
We showed up for You God
Nothing else matters
Do what You wanna do God
Nothing else matters
Nothing else matters
Nothing else matters
