

HOW COULD I

VERSE 1

Fount of mercy
Flowing from a heart of endless love
I could never thirst enough
Loving kindness
Leading me to satisfying streams I have tasted
I have seen

CHORUS

You are the river to my soul
The joy that overflows
You overwhelm my heart with perfect love
You are the well that won't run dry
The drink that satisfies
Jesus I could never thirst enough

VERSE 2

Prone to wander
Prone to chase the emptiness of sin
Would you bring me home again
Searching Father
Chasing me with arms open wide
I am Yours and You are mine

BRIDGE

If I don't want more did I ever really know You
If I don't want more have I really ever seen
If I don't want more can I really say I love You
How could I, How could I, How could I
If I don't want more did I ever really know You
If I don't want more have I really ever seen
If I don't want more can I really say I love You
How could I, How could I, How could I
How could I, How could I, How could I
