O

## Verse 1

O the perfect love of God  
Stronger than my rebel heart  
Reaching through the veil of sin  
To invite the broken in  
All my guilt and every stain  
Overshadowed by His grace  
Now I stand redeemed and free  
In my Father's love for me

## Verse 2

O the perfect sacrifice  
In my place laid down His life  
Pouring from My Savior's wounds  
Precious blood my heart renews  
Here by grace, only through faith  
Jesus' righteousness I claim  
Now I stand with victory  
In my Savior's death for me

## Chorus

Holy, you are Holy  
Father, Spirit, Christ the Son  
Worthy of all glory  
Never-ending fount of love  
Everlasting three in One

## Verse 3

O the perfect gift of God  
Now the seal upon this heart  
Glorifying Christ the Lamb  
Keep my feet in step with Him  
All the pow'r, now indwells  
The wind of God, my present help  
Now I stand pure and complete  
By the Spirit's work in me

## Verse 4

O the perfect kingdom come  
Where the Savior sits enthroned  
We will see Him face to face  
All our tears are wiped away  
Every nation bowing down  
Saints and angels cast their crowns  
Wealth and wisdom power and praise  
Evermore our hearts will sing  
Praises for eternity
