## VERSE 1

1                    1sus 1  
You carried the burden, Of all that I can't afford

1                    1sus 1  
A cross for the guilty ones, You wore as if it was Yours

1                    1sus 1  
You made intercession, Even as I threw stones

1                    1sus 1 2m                    4  
What kind of love is this, What kind of love is this

## CHORUS 1

5                    6m                    4                    1  
I'm grateful, grateful, grateful, grateful

5                    6m                    4                    1  
I'm grateful, grateful, grateful, grateful

## VERSE 2

1                    1sus 1  
Your life on the altar, To sacrifice all for love

1                    1sus 1  
A cross for the broken ones, You wore until it was done

1                    1sus 1  
You took on the fiercest grave, And came out victorious

1                    1sus 1 2m                    4  
What kind of love is this, What kind of love is this

## CHORUS 1

5                    6m                    4                    1  
I'm grateful, grateful, grateful, grateful

5                    6m                    4                    1  
I'm grateful, grateful, grateful, grateful

## INSTRUMENTAL (2X)

| 5 /// | 6m /// | 4 /// | 1 /// |

## BRIDGE (4X)

5  
What can I say

6m  
What can I do

4                    1  
But say that I'm grateful for You

## CHORUS 1

5                    6m                    4                    1  
I'm grateful, grateful, grateful, grateful

5                    6m                    4                    1  
I'm grateful, grateful, grateful, grateful

## CHORUS 2

5                    6m                    4                    1  
You're faithful, faithful, faithful, faithful

5                    6m                    4                    1  
You're faithful, faithful, faithful, faithful
