

# LET IT BE REAL

## VERSE 1

I come to the father, With nothing to offer but my sin  
You see it all, You see it all  
I come to the altar, I've come to the end of my own way  
I wanna know you, I just wanna know you

## CHORUS

Awake, my soul surrender  
Awake, my soul to sing  
No more empty hallelujahs  
Let it be real, God I'm ready

## VERSE 2

I come to the father, All my inhibitions at your feet  
I come like a child, I come like a child  
I fall on the altar, My life, a sacrifice of praise  
Rising up, rising up to bless your name

## BRIDGE

Let it be real, God I'm ready  
Whatever I feel hold me steady  
I will not fear for You are with me  
Let it be real, God I'm ready  
Let it be real, God I'm ready  
Whatever I feel hold me steady  
I will not fear for you are with me  
Oh , let it be real, let it be real, let it be

## TAG
