

YOU ARE

VERSE 1

You are the Shepherd king, The Sovereign of everything
Your mercy and majesty, No mind can conceive
How quickly I forget, You've never failed me yet
How endless the reasons for my heart to believe it

CHORUS 1

You are Holy King of Heaven and Earth
You are Lord of all unspeakable worth
You are everything you say You are

VERSE 2

Oh what a mystery, You came and rescued me
The cross is my victory I stand here forgiven
How quickly I forget, Great is your faithfulness
How endless the reasons for my heart now to sing it

CHORUS 2

You are Holy King of Heaven and Earth
You are Lord of all unspeakable worth
You are everything You say You are
You are defender of the broken and weak
You are faithful like a father should be
You are everything You say You are

BRIDGE

You spoke the earth in motion,
You gave the breath of life
You cursed the snake in Eden,
Promised a sacrifice
You rescued out of Egypt,
You split the ocean wide
You shut the mouths of lions,
Stood with us in the fire
Through four hundred years of silence
Born of a virgin came
Jesus the one Messiah,
The name above every name
Raised up in crucifixion,
Laid down in Joseph's grave
You arose in resurrection,
Emmanuel, God who saves

CHORUS 2

You are Holy King of Heaven and Earth
You are Lord of all unspeakable worth
You are everything You say You are
You are defender of the broken and weak
You are faithful like a father should be

TAG

You are everything You say You are
You are, You are, You are
You are everything You say You are
