

ONE THING

Hayden Browning, Davy Flowers, Aaron Williams

VERSE 1

In a world of glances teach us how to gaze
To behold Your wonders and never look away
Give us a vision beyond what eyes can see
Show us a glory that brings us to our knees

CHORUS

Our one thing, be our one thing
Lord we fix our eyes on You
If it's the only thing we do
Our one thing, be our one thing
Be the treasure that we seek
Cause You're all we ever need
Be our one thing

VERSE 2

In a time of chaos we need eyes of faith
To believe Your moving in our darkest days
Give us a vision beyond what eyes can see
To know Your with us, and You will never leave

BRIDGE

All the days of my life
If I fall or rise
All the days of my life
One thing I seek
All the days of my life
Be my joy my delight
All the days of my life
There's one thing I need (to see Your beauty)
