

# LIFT MY EYES

## VERSE 1

In darknes, In waiting, You are always near  
In silence, In stillness, You heed my prayer  
No mountain, No valley, could stand between your love  
No high, No low, Where you are not enough

## CHORUS

I will lift my eyes, where my help comes from  
I will lift my eyes to the maker of Heaven and Earth  
I will lift my eyes, where my help comes from  
Help me lift my eyes to you

## VERSE 2

Steadfast, Unfailing, You are always true  
Author, Perfecter, None compares to you  
Keeper of Heaven, Still you know my name  
Let mercy follow me, All my days

## BRIDGE

Protector, Defender, You are my strength my shepherd  
My helper, My healer, My heart is yours forever  
Protector, Defender, you are my strength my shepherd  
My helper, My healer, My heart is yours forever  
My heart is yours forever
