

KING OF VICTORY

VERSE 1

Sin where is your sting
Death where is your victory
Grave where is your power
You got no claim on me
You got no claim on me

CHORUS

Oh oh oh my, God is the risen king
Oh oh oh, His name is victory
Oh oh oh, He is alive in me
The risen king of victory is alive inside of me

VERSE 2

Fear where is your grip
Curse where's your authority
Hell where is your king
You got no claim on me
You got no claim on me

BRIDGE 1

He lived
He bled
He died
He rose and is alive again

BRIDGE 2

He lives
He loves
He saves
Now I am alive again
