

FOR A THOUSAND YEARS

[LYRICS]

VERSE 1

Oh for a thousand tongues to sing
My Redeemer's praise
The glories of our God and king
Triumphs of His grace

PRE-CHORUS 1

For a thousand years our song will be

VERSE 2

Oh for a thousand tongues to sing
With the angels' song
We lay our crowns down at His feet
Right where they belong

PRE-CHORUS 2

For a thousand years we'll join and sing
For eternity our song will be

Worthy, Worthy
Worthy are you Lord
Honor, Glory
Praise forevermore
To Him who sits enthroned
We join the ancient song
And sing Worthy, Worthy
Worthy are You Lord

VERSE 3

To God all glory praise and love
Now and ever be
By saints below and saints above
The Church and heaven sings

Let every voice be raised
Let every heart proclaim
Come exalt His name
It's Jesus, Jesus
Join the angels' song
The chorus to be sung
Come exalt the One
King Jesus, Jesus

Let every voice be raised
Let every heart proclaim
Come exalt His name
It's Jesus, Jesus
Join the angel's song
The chorus to be sung
Come exalt the One
King Jesus, Jesus

Holy are You Lord
Honor, Glory
Praise forevermore
To Him who sits enthroned
