

BEHOLD THE LAMB

Davy Flowers, Benji Cowart, Matt Armstrong

VERSE 1

Every earthly crown but a shadow now
With the light of the world in the room
Every mortal name be drowned out with praise
Cause the light of the world's in the room
The light of world's in the room

CHORUS 1

Behold the Lamb of God
Who takes away our sin
He is exalted
Kings and kingdoms bow before the Lamb

VERSE 2

Let the hopeless heart
Rise up from the dark
Cause the light of the world's in the room
Let the dead in sin come alive again
Cause the light of the world's in the room
The light of the world's in the room

CHORUS 2

Behold the Lamb of God
Who takes away our sin
He is exalted
Kings and kingdoms bow before the
Lamb of God who died and rose again
The earth and all of heaven
Lift your eyes up and behold the Lamb

BRIDGE

Let everything and everyone
Bow before the Son of God
Let every sin and all our shame
Bow before His holy name
