

Virtue

Faith

Faith

Believing God will do what He says.

“Now faith is being sure of what we hope for and certain of what we do not see.”

Hebrews 11:1 NIV

While Kathy played on the swing she remembered what her teacher had said about faith. Kathy trusted the tree branch to support her and her swing, just as she could depend on God to care for her and to keep His promises.

Virtue

Doing what is right in a Christ-like way.

“For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge...”

2 Peter 1:5 NIV

Jerry's broken leg was almost healed, although it sometimes ached when he used it. It had been Jerry's job to mow the lawn when the family did yard work, but his leg hurt too much when he tried to push the mower across the yard. When his father offered to let him skip the yard work that week, Jerry volunteered, "I can't mow yet, but I could sweep the walk."
