VERSE 1

B F#
When I heard your voice in the madness
G#m E
For the first time, I felt my heartbeat
B F#
When you called my name out of the darkness
G#m E
In a moment you set my soul free

CHORUS

B F#
With all of my heart, With all of my soul
G#m E
Wherever you lead, I'm willing to go
B F#
Whatever the cost, Whatever it takes
G#m E
I wholly surrender for your name

PRE-CHORUS

B F#
Now that the old is stripped away
G#m E
I know I could never be the same

BRIDGE (2X)

B F#
I lay my life down
G#m E
Right where I stand
B F#
A holy surrender
G#m E
All that I am

CHORUS

B F#
With all of my heart, With all of my soul
G#m E
Wherever you lead, I'm willing to go
B F#
Whatever the cost, Whatever it takes
G#m E
I wholly surrender for your name

CHORUS (2X)

B F#
With all of my heart, With all of my soul
G#m E
Wherever you lead, I'm willing to go
B/D# F#
Whatever the cost, Whatever it takes
G#m E
I wholly surrender for your name

VERSE 2

B F#
Take my plans, take my whole life
G#m E
These empty hands for your glory
B F#
Be my hope, be my passion
G#m E
My all in all, my everything
