WHAT SCHOOLS ARE SAYING...

- The material and content was delivered in a clear and logical manner with opportunities for interaction. The presenters were very engaging and very knowledgeable. I find the course very helpful to help reduce anxiety and build resilience amongst our students. I would highly recommend this course for teachers and leaders. I would also highly recommend the Parent course. **ROM, ST CUTHBERT'S CATHOLIC PRIMARY SCHOOL**
- The No Scaredy Cats training was incredibly useful and eye opening. I can apply the knowledge and skills I have learnt immediately into my everyday teaching. This course has equipped me with the background information and confidence to tackle some tricky issues and have some difficult conversations. **NATASHA, MAJURA PRIMARY SCHOOL**
- Very practical, user-friendly evidence-based information to support parents, so they can better support their children. **TRACEY, NSW DEPT. OF EDUCATION**
