London Business School

External Hotel Partners London

Academic Year 22/23 Jan 2023

- Campus Services and Procurement have agreed rates with 11 hotels in London, which are valid until 31st July 2023 (with the exception of the Dorset Square, which is valid till December 2023). The rates are available to all members of the London Business School Community. These rates are not based on last room availability, so may be closed out during peak times. In order to guarantee the rate, the reservation must be made as far in advance as possible. The increase in the amount of properties we have selected has been decided based on demand across LBS, as well as the lack of on site accommodation, due to the Bwing closure.
- Individual bookings must be directly with the hotel selected, using the relevant contact details for the property. In order to secure the corporate rate, please ensure you clearly state London Business School when contacting the property to make your reservation. Where possible, use an london.edu email address, or reference the programme and/or event you are attending.
- All bookings and rates are subject to availability and are bound by the terms and conditions in each property. All bookings should be made as far in advance as possible, as our rates may not be available during the high seasons. All rates are based on single occupancy, supplements will apply for double/ family rooms. Our rates are set for specific room categories, should these not be available, an alternative may be offered and a supplement may apply
- London Business School rates are NOT available to third party travel agents. Should a booking be made online via a 3rd party reservation/ travel site, or via an agent, the terms and conditions of the rate booked, or the specific agent terms and conditions will be applicable and you will not be eligible for any additional London Business School benefits.
- Group booking terms and conditions will apply to block reservations, particularly in relation to cancellation timeframes. During some periods group rates may be higher, subject to availability.
- All bookings that are made & are to be paid for by LBS must have a Purchase Order reference number, either LBS or CMD. Contracts must only be signed by the company paying for the booking, LBS does not guarantee as per TOM policy. Group contracts must be signed by the company that are guaranteeing/ paying for the booking.
- For further assistance, including Serviced Apartment options & alternative hotels, please contact Sam Bishop <u>sbishop@london.edu</u>

Potential black out dates 22/23 - London

2022 and 2023 will be busy years for the Hospitality industry, as events that were delayed in 2020/2021 and taking place, alongside the usual annual events.

All bookings should be made as far in advance as possible, the cancellation terms for individual bookings are 24 hours, with groups generally around 30 days (subject to size & availability), so key is to book sooner rather than later.

As our rates are not based on last room availability, should a property see their occupancy increase, they will close out all corporate rates, at which point, we will generally receive around 15% discount on the best available rate showing on the hotel's website.
