CalCough Children's Syrup (glycerol, sucrose) Product Information

Presentation:

A dark red, blackcurrant flavoured syrup containing glycerol 0.75 ml, sucrose 1.7 g and (excipient with known effect) liquid glucose 2.15 g per 5 ml.

Uses:

For the relief of irritating, tickling dry coughs and sore throats.

Dosage:

Adults, elderly and children over 5 years: 10 ml; *Children 1 to 5 years:* 5 ml. The dose may be repeated three or four times a day.

Contraindications:

In children under 1 year. Hypersensitivity to the active substances or to any of the excipients listed in SPC section 6.1.

Precautions:

Diabetics should take note of the carbohydrate content of this product. Patients with rare hereditary problems of fructose intolerance, glucose galactose malabsorption or sucrase-isomaltase insufficiency should not take this medicine. This medicine contains 3.53 mg propylene glycol (E1520) in each 5 ml dose, which is equivalent to 0.71 mg/ml. This medicine contains 10 mg sodium benzoate (E211) in each 5 ml which is equivalent to 2 mg/ml. This medicine contains less than 1 mmol sodium (23 mg) per 5 ml, that is to say essentially 'sodium-free'. This medicine contains 0.000053 mg benzyl alcohol in each 5ml which is equivalent to 0.000011 mg/ml. Benzyl alcohol may cause allergic reactions. Ask your doctor or pharmacist for advice if you are pregnant or breast-feeding or if you have a liver or kidney disease. This is because large amounts of benzyl alcohol can build-up in your body and may cause side effects (called "metabolic acidosis"). Do not use for more than a week in young children (less than 3 years old), unless advised by your doctor or pharmacist. This is due to an increased risk due to accumulation in young children.

Pregnancy and Lactation:

The safety of this medicine during pregnancy and lactation has not been established but is not considered to constitute a hazard during these periods.

Side effects:

Hypersensitivity reactions, including anaphylaxis.

Please refer to Summary of Product Characteristics for detailed information
