POLAR BEARS INTERNATIONAL HOSTS

BELUGA & TUNDRA ADVENTURE

Adventure (noun): an exciting or remarkable experience

CALLING ALL ANIMAL LOVERS, BIRDERS, PHOTOGRAPHERS, AND OUTDOOR ENTHUSIASTS —

© Emily Ringer / polarbearsinternational.org

Polar Bears International invites you to join us for a unique exploration of Churchill's vast landscapes, abundant wildlife, and inspiring historical sites during the summer! Visitors to this subarctic region will witness belugas, caribou, wildflowers, an array of possible birds from tundra swans to Arctic terns, and glimpses into the deep history this land holds. Plus, you may well spot polar bears and northern lights!

This one-of-a-kind opportunity has you traveling with our team to Churchill, the polar bear capital of the world and our Canadian home, to get an up-close and hands-on experience to enhance your appreciation for this remarkable region, why it is so important in our work, and how, together, we can ensure the polar bears' future.

Space is limited, so don't wait to book your tundra adventure.

EVERY SUMMER, OUR BELOVED CHURCHILL BECOMES THE “BELUGA WHALE CAPITAL OF THE WORLD” — A TIME WHEN THE “CANARIES OF THE SEA” RETURN TO THE WARM, SHALLOW WATERS OF CHURCHILL RIVER TO GIVE BIRTH TO THEIR CALVES, AND A MEDLEY OF WILDLIFE CASUALLY ROAM THE SURROUNDING WILDFLOWER-BLANKETED LANDSCAPE.

About Polar Bears International

Polar Bears International's mission is to conserve polar bears and the sea ice they depend on. The organization works to inspire people to care about the Arctic, the threats to its future, and the connection between this remote region and our global climate. Polar Bears International is the only nonprofit organization dedicated solely to wild polar bears and Arctic sea ice, and the staff includes scientists who study wild polar bears. The organization is a recognized leader in polar bear conservation. For more information, visit:
