HOW TO PLAY TABOO

1 Work in small groups.

2 Each group chooses a member to blindly pick one of the taboo cards. The player shows the card to the opposing teams.

3 The player describes the **Guess Word** to their team without using any of the **Taboo Words** (or related words).

4 The other teams make sure no forbidden words, gestures or sound imitations are used.

5 If the Guess Word is successfully guessed, the team is awarded **1 point**.
