

diy LAVENDER SOAP

SUPPLIES

- 6 Ounces Unscented Soap
- 10-15 Drops Lavender Essential Oil
- 2 Tablespoons Dried Lavender Flowers (optional)

DIRECTIONS

- 01** Fill a small saucepan about half full with water. Place a large metal bowl over the top of it.
- 02** Turn to medium heat and bring to a boil.
- 03** Slice the soap into smaller pieces and place in the bowl.
- 04** Allow soap to slowly melt into liquid.
- 05** Remove from heat and add about 15 drops of essential oil.
- 06** Stir in dried lavender flowers if desired.
- 07** Pour the mixture into the soap mold of your choice.
- 08** Allow the bars to sit for at least an hour to harden.
