5.7.8 When the secretary and treasurer positions are combined, the responsibilities shall be as described above for each individual office.

5.8 Education Officer Duties

The education officer is primarily responsible for securing chapter meeting education, applying for CEU approval, issuing CEUs to attendees and attesting to all information contained on the CEU form.

- 5.8.1 Coordinate the educational content of regular chapter events and arrange for educational guest speakers and locations; dates and times of events as determined by the chapter officers.
 - 5.8.1.1 Topics and speakers should be relevant to AAPC and members.
 - 5.8.1.1.1 AAPC strongly discourages paying speakers to present at local chapter meetings.
- 5.8.2 Submit online requests for approval of CEUs for chapter meetings, seminars, and review classes.
 - 5.8.2.1 Should the speaker end prior to the CEU awarded time, the education officer shall be prepared to provide additional education to cover the remaining educational time.
- 5.8.3 Upon request from a visitor a certificate should be provided.
 - 5.8.3.1 CEU certificates are not required for chapter meetings, however, the chapter has the option to provide them.
 - 5.8.3.2 Any officer may sign the CEU certificates when provided.
 - 5.8.3.3 Although all chapter officers are able to apply for CEUs, the assigned responsibility for this task lies with the education officer.
- 5.8.4 Encourage participation by inviting members to suggest speakers and topics.
 - 5.8.4.1 Use chapter members as speakers when possible.
- 5.8.5 Should assistance be needed, upon request, the education officer can rely on the vice president for guidance and help.

- 5.9 Member Development Officer Duties
 - The member development officer is primarily responsible for ensuring all chapter meeting attendees are welcomed, providing networking opportunities between members and guests; and reaching out into the community to encourage new members.
 - 5.9.1 Serve as mentor to all members attending chapter meetings, encouraging members to network and invite others to attend monthly chapter events.
 - 5.9.1.1 Ensure members and visitors are greeted and welcomed at local chapter events.
 - 5.9.1.2 Ensure new members and/or newly certified members are contacted, welcomed and/or congratulated.
 - 5.9.1.3 Obtain contact information on all visitors, guests and students who

attend chapter events. Provide information on the benefits of being a member and encourage membership.

5.9.1.3.1 Keep a record of the number of events a non-member attends. After the third visit, the attendee is required to join AAPC .

5.9.2 Establish relationships with local AAPC Approved Instructors with the intent to involve their students in the local chapter.

5.9.3 Should assistance be needed, upon request, the member development officer can rely on vice president for guidance and help.

5.10 Record Retention

5.10.1 Financial documents are considered records and property of each local chapter, and must be kept for seven years. Examples of financial documents include but are not limited to bank statements, expense receipts, checkbook register and deposit slips (any document that supports monies received and/or distributed by the local chapter).

5.10.1.1 It is recommended that each local chapter maintain these documents in an electronic format, such as a flash drive or like device. Storing local chapter documents in this manner allows for easy access between officers and easy transferring of materials.

5.10.1.2 All documents, electronic or paper, are to be passed to the new local chapter treasurer no later than December 31.

5.11 Officer Training

5.11.1 AAPC provides training for all elected officers. All officers, whether new or returning, are strongly encouraged to attend officer training.

5.11.2 Chapters are strongly encouraged to hold a transitional officer meeting/training for the benefit of the incoming officer. This helps ensure a smooth transition.

5.12 Change/Resignation of Officers

5.12.1 In the event of a change or resignation of an officer, the chapter president should put a “call” out to all members asking for a volunteer to fill this officer role. If no volunteers step forward, the current officers may appoint a new officer.

5.12.1.1 The resigning officer should send a resignation letter to AAPC and to the local chapter president.

5.12.2 If the resigning officer is a signer on the chapter bank account, the current

treasurer or president must ensure the resigning officer's signature is removed and the new officer's signature is added.

5.12.3 When a member is voted in as an officer and agrees to take on that role in the local chapter, there must be a level of commitment and professionalism, even in a volunteer position. Officers will not be allowed to resign from a chapter officer position and then start or hold a position as a new officer in another chapter, for the remainder of that year.

5.13 Communication with AAPC

5.13.1 Inasmuch as officers' names and contact information are posted on AAPC's website and members are referred to their local officers for information, it is essential all contact information be kept current. It is the responsibility of the officers to maintain current information.

CHAPTER 6

ELECTIONS

6.1 Importance of Elections

- 6.1.1 Chapter officers are a very important part of every local chapter. Without members volunteering their time and leadership, local chapters would be unable to function. Chapter elections offer all members the opportunity to serve and encourage participation within the local chapter.
- 6.1.2 The vice president facilitates and is responsible for the integrity of the election and balloting process and promptly submits the new officers' contact information in the Election Verification tool.
- 6.1.3 If officers are not in place by Dec 15th, the chapter may be in jeopardy of closing.

6.2 Preparing for Elections

- 6.2.1 Elections may be held in person or conducted on AAPC's online election portal throughout the month of October.
 - 6.2.1.1 Officers should dedicate time in the August or September meeting to introduce chapter members who have expressed an interest in serving as officers. This will allow members to be informed when it comes to voting in October.
 - 6.2.1.2 The vice president will ensure that all candidates are active members of the chapter and are eligible to run for office.
 - 6.2.1.3 Any nominee for office who has been terminated from a previous officer role for just cause will not be permitted to stand as a candidate or elected to an officer role.
 - 6.2.1.4 Anyone removed from their position as an officer or who was asked to resign for just cause is not permitted to run for a chapter officer position in future elections.
- 6.2.2 The vice president should form and chair an elections committee to organize and conduct the nominations.
 - 6.2.2.1 The committee should be comprised of at least two additional members who are not current officers or running for an office.
- 6.2.3 While it is not necessary to personally contact all members, acceptable means of notification are 1) AAPC forum or social media posting and 2) email to all members, as per local chapter membership list available on AAPC's website.

- 6.2.4 The vice president should print the local chapter membership list as provided on AAPC's website. Only members currently assigned to the chapter are eligible.
- 6.2.5 Elections are to be held for the upcoming year only, and never for more than that year.

6.3 Nominee Qualifications

- 6.3.1 Strength of character, leadership, professionalism, communication skills, and the ability to volunteer time and service should be considered when nominating local chapter officers. It is imperative that the nominees uphold high standards, be ethical, maintain integrity, and are interested in the success of AAPC and the local chapter.
- 6.3.1.1 Nominees should reside in the same state or general area of the local chapter, or within a reasonable vicinity thereof, to be readily accessible to members and other local chapter officers.
- 6.3.1.2 Nominees must currently be an active chapter member or demonstrate commitment to regular attendance, if elected. Examples of active attendance include but are not limited to regular meeting attendance, participation in the growth of the chapter, volunteering for committees and participating in meetings, etc.
- 6.3.1.3 Nominees must be assigned to the chapter in which they seek election.
- 6.3.1.4 If elected, officers may not concurrently hold office in more than one AAPC local chapter, nor in another organization offering core coding credentials.
- 6.3.1.5 When a member is voted in as an officer and accepts that role in the local chapter, there must be a level of commitment and professionalism. Officers will not be allowed to resign from a chapter officer position and then start or hold a position as a new officer in another chapter, for the remainder of that year.

6.4 Nominations

- 6.4.1 A call for nominations must be made by the vice president at least one month prior to the election month of October. If necessary, an additional call for nominations can be sent through any form of communication routinely used by the local chapter to its membership.
- 6.4.1.1 All nominees shall have the opportunity to accept/decline the nomination prior to elections.

6.4.1.2 Nominees must meet the qualifications of the office for which they are being nominated, be in good standing with AAPC, **not have been removed from office previously**, attend local chapter meetings, and be assigned to the chapter in which they are nominated.

6.4.1.2.1 The vice president is responsible for verifying that the nominated member is assigned to the chapter and that the member holds the required credentials for that office.

6.4.1.3 It is recommended that officers represent diversity in skill sets, knowledge, background, and employment status, including representation of various employers in the area. It is highly recommended that officers are not employed by the same company.

6.4.2 Members may self-nominate.

6.4.3 A member can only accept the nomination for one officer position. **Therefore, members may only appear on the election ballot for one position.**

6.4.4 Nominations should be held for the offices of president, vice president, and secretary/treasurer. An education officer and member development officer are not required positions but are strongly recommended and encouraged.

6.4.5 Multiple members may not share one officer position.

6.4.5.1 One member may not hold two offices at the same time, with the exception of the secretary/treasurer combined position.

6.4.6 It is ideal if nominations are made prior to October, however, nominations should be accepted up until the time of voting.

6.4.6.1 Voting will be in place for the entire month of October.

6.4.6.1.1 If a chapter fails to receive nominations/volunteers to serve in the three required officer positions, the chapter officers should inform the members that the chapter will be at risk of closing.

6.4.6.1.1.1 The AAPC Local Chapter Department will contact the chapter members to seek volunteers to serve and explain the consequences for the chapter if there are no officers.

6.5 Electioneering and Campaigning

6.5.1 Active campaigning for a chapter officer position is strictly prohibited. Candidates may not

send campaign emails, texts, mailings, make phone calls, or use any direct communication methods to influence voting. Any report of electioneering should be documented and submitted to the chapter vice president.

6.5.1.1 If the current vice president is the candidate alleged to be campaigning, the chapter president will assume responsibility for addressing the concern and halting any inappropriate activity.

6.5.1.2 The election committee will review all documented reports and determine whether sufficient evidence of active campaigning exists. If so, the committee has the authority to decide whether the candidate may remain on the ballot.

6.5.2 To ensure fairness and transparency, it is recommended that the chapter vice president send one or more neutral messages to all members that include relevant information about each nominee. This process helps members make informed decisions without placing candidates in violation of the no-campaigning rule.

6.6 Term Limits for Chapter Officers

6.6.1 Local chapter officers are elected for a term of one year (January through December).

6.5.1.2 If the current president is unable to serve the full year in office, the vice president should assume the role of the president for the remainder of that term.

6.6.2 All officers who continue to meet the requirements of an officer may be nominated.

6.6.2.1 These officers should not serve more than two consecutive years in same office. However, treasurers may serve more than two years.

6.6.2.2 After serving as a chapter officer (in different capacities) for four consecutive years, an officer may not be elected to an office for at least one year.

6.6.3 Approval from AAPC's Local Chapter Department must be obtained for any variation to the term limits described above.

6.7 Voting

6.7.1 Elections may be held in person or conducted on AAPC's online election portal throughout the month of October.

6.7.2 Only AAPC members assigned to the local chapter, as reflected on the local

chapter membership list provided by AAPC online, may vote.

- 6.7.3 The nominee receiving the majority of votes will fulfill the responsibility of that office for one complete calendar year.
- 6.7.4 Any unethical actions or mishandling of the election process by any officer, or member of the elections committee, will be reviewed by the AAPC Local Chapter Department. Improprieties found may result in the resignation and/or disqualification of all involved.
 - 6.7.4.1 Anyone sanctioned for mishandling of the election process will be prohibited from running for a local chapter officer position for up to five years or longer, as deemed appropriate by the AAPC Local Chapter Department.
 - 6.7.4.2 In the case where there is no declared candidate for an officer role and a write-in candidate is provided (who receives less than 5 votes), the chapter's election committee has the right to vet this candidate to ensure the candidate meets the requirements to hold office before declaring them the winner of the election.

6.8 Election Verification Information

- 6.8.1 The newly elected officers will be submitted using the Election Verification tool no later than November 10th, the current vice president will complete the [Election Verification](#) Information on AAPC's website.
 - 6.8.1.1 If a newly elected officer is not in good standing with AAPC, the Local Chapter Department will contact the current vice president within 30 days following the submission of the Election Verification Information.
- 6.8.2 Once confirmed, the new officer must log in to AAPC's website and accept the Chapter Officer Agreement within 10 days.
- 6.8.3 Delay in completion of the Election Verification Form results in the inability for the upcoming officers to be informed of future events which are important to their role as an officer such as officer training, newsletters, etc. Until the Election Verification Form is submitted and the officers accept their positions, meetings and review classes cannot be scheduled and CEUs cannot be obtained for chapter educational events.
- 6.8.4 Officers only have permission to schedule events in the year they serve.

6.9 Current Officers and Newly Elected Officers

- 6.9.1 It is strongly recommended that the current officers mentor the newly elected officers for the remainder of the current year allowing a smooth transition for

new officers.

- 6.9.2 The newly elected officers are strongly encouraged to meet together shortly after elected and begin planning for the chapter's future.
 - 6.9.2.1 Discussions should include events, such as chapter meetings, chapter finances, securing speakers, planning workshops, surveying the members for their input and increasing membership attendance and participation for the following term. It is imperative that the newly elected officers determine and set the course for the coming year.
 - 6.8.2.3 It is acceptable for former officers to be used on an advisory basis as officers may learn from the past while continuing to move your chapter forward.
 - 6.8.2.4 Current officers must transfer all chapter records and documentation to the new officers by December 31.
- 6.9.3 Events for the upcoming year can only be scheduled by the new officers as soon as the Chapter Officer Agreement has been completed online.
- 6.9.4 New officers should refer to the Local Chapter Handbook or the Local Chapter Department at AAPC for any questions regarding their position or concerns in their local chapter .
 - 6.9.4.1 Officers should always verify and confirm their responsibilities through one of the official sources listed above. It is not acceptable for an officer to perform their responsibilities solely on the information received from current and/or past officers.

6.9.4.2 Officers should read the most current Local Chapter Handbook available, keeping in mind that the new version comes out in January each year.

6.9.4.3 To ensure a smooth transition, the outgoing officers should train and work with the incoming officers to establish the Q1 planning of educational events.

CHAPTER 7

LOCAL CHAPTER MEETINGS AND OTHER CHAPTER SPONSORED EVENTS

7.1 Attendance at Local Chapter Meetings

- 7.1.1 Membership with AAPC entitles members to attend local chapter meetings.
 - 7.1.1.1 Officers should entice their chapter members to attend their own chapter meetings so they don't look to other chapters for education. Officers should publish meeting dates and topics at the first of the year so chapter members can plan to attend. Officers should also be in touch with chapter members' specialties and interests so meeting topics address their needs.
- 7.1.2 It is not necessary to be certified in order to attend a local chapter meeting.
 - 7.1.2.1 All attendees, including speakers, regardless of membership, should be marked as attending.
 - 7.1.2.2 When possible, chapters should mark attendance online at the chapter meeting. The attendance information must be uploaded within 30 days from the date of the chapter meeting.
 - 7.1.2.2.1 This can be done through marking attendance online.
- 7.1.3 Non-AAPC members (visitors, guests, students) may attend up to three local chapter meetings before membership with AAPC is required. Please use wisdom if a nonmember attends more than three meetings. **Chapters do not receive any reimbursement for nonmembers who attend a chapter meeting.**

7.2 Purpose of Chapter Events

- 7.2.1 The purpose of local chapter events is to provide networking opportunities, education, and other activities relevant to the healthcare profession.
- 7.2.2 Active solicitation of any product or service is strictly prohibited at a chapter event.
- 7.2.3 Chapter meetings rely on open discussion, participation, and shared learning. To maintain an honest, engaging learning environment, the use of AI note-taking tools, AI recording devices, or any other audio/video recording technology is strictly prohibited during chapter educational events, unless written permission is requested and also then granted by AAPC. Unauthorized recording can diminish that experience and compromise privacy.

7.2.3.1 If a member is found using any such device, the chapter should immediately disconnect the attendee (if virtual) or ask them to stop (if in person) and provide written notice that recording technologies are not permitted. Members who record any portion of a chapter educational event, whether through AI tools or traditional recording devices, will not receive attendance credit.

7.3 Conduct at Chapter-Sponsored Events

7.3.1 Chapter sponsored events shall be conducted in an orderly and professional manner. Local chapter officers are responsible for ensuring order is maintained during all chapter activities and are, therefore, empowered to ask unruly attendees to leave a chapter event.

7.3.1.1 Members and officers alike are to be aware that when attending events or conducting chapter business, their words and actions represent the organization, each of the local chapters, and the individual members. With this in mind, it is expected that members and officers will conduct themselves accordingly, showing respect and professionalism to all.

7.3.2 No alcohol can be provided at chapter-sponsored events through the use of local chapter funds.

7.4 Chapter Event Requirements

7.4.1 Local chapters are required to hold at least seven approved chapter educational events per year where little to no cost CEUs are offered. Monthly events are encouraged when possible.

7.4.1.1 Chapters must sponsor at least two in person educational events, two virtual educational events, and three educational events of your choice.

7.4.1.1.1 Hybrid events are those held with virtual and in person attendees. A hybrid meeting is considered a virtual meeting and is paid as a virtual meeting.

7.4.1.2 A chapter meeting is defined as an educational session lasting no more than 2 hours and 15 minutes. A seminar is defined as an educational session of 2 and a half hours or more.

7.4.1.3 Chapters who are non-compliant, who fail to hold at least seven approved chapter educational events, may be placed on probation or closed.

7.4.2 Educational events should be scheduled at least 30 days in advance, but no

more than 90 days in advance. The more advanced notice your chapter members have to mark their calendars for the events, the higher the attendance will be at chapter events.

75 Hosting a Virtual Event

75.1 Because chapters are required to hold two virtual educational events, it is required that chapters purchase their own platform. [Click here for platform suggestions and other related resources.](#)

75.1.1 AAPC provides chapters with a \$60 yearly stipend to help offset this cost. This stipend will reoccur every year in January as a separate disbursement.

75.2 Presidents should conduct the meeting, welcome the members, introduce the officers and introduce the speaker.

75.3 All officers should participate, with short messages.

75.3.1 This allows the members to meet and get to know the officers and demonstrates the duties the officers fulfill.

75.3.2 Suggestions include introducing each officer, reading minutes from previous meetings, announcing upcoming meetings, announcing members that have recently passed exams, reading a treasurer's report, introducing new members, etc.

75.4 Officers should be on camera so they can be seen when participating.

75.4.1 Inform speakers they should be on camera so attendees can see their faces.

75.5 Once events and CEUs are approved by the CEU Vendor Department, the event information will appear on under "My Chapter", "Events", "Upcoming Event".

75.6 Local chapter officers should exercise good judgment in selecting an appropriate meeting place for local chapter meetings and other chapter-sponsored events.

75.6.1 All chapter-sponsored events must be held in a public place/building, conducive to the purpose of the event.

75.7 An individual's home is not an appropriate meeting place.

7.6 Informing Members of Chapter Events

7.6.1 In order for events to appear on AAPC website, officers must submit event for CEU approval.

7.6.2 When applying for CEU approval online, officers may select the option to have AAPC notify members by email at specified intervals. If this option is chosen, all

AAPC members assigned to the chapter will receive notification by email.

7.6.3 All chapter officers and members are responsible to view the website regularly for up to the minute event and chapter information.

7.7 AAPC's website

7.7.1 AAPC's website (www.aapc.com) hosts the names of all current local chapters, their officers, and their contact information.

7.7.2 Each local chapter will have its own listing of events on the website. The listing of events will show dates of all upcoming chapter events along with additional information the chapter deems appropriate. From information provided by the local chapter, AAPC will populate the website.

7.8 Offering CEUs at Chapter-Sponsored Events

7.8.1 Certified members, including the presenting speaker(s), may earn CEUs for attendance in person at local chapter events where pre-approval from AAPC has been granted.

7.8.1.1 CEUs are not given to members who cannot see and hear the presentation. Recordings of chapter meetings are not allowed.

7.8.1.2 With few exceptions, webinars produced by AAPC, including but not limited to On-Demand Virtual Webinars, other On-Demand Webinars, and chapter officer webinars are not eligible for CEUs for chapter meetings. Outside vendor provided webinars may be submitted for CEU approval, but are discouraged and should not be utilized repeatedly. Follow the CEU instructions on the AAPC website.

7.8.1.3 Suggestions for speakers may be found on the Officer Hub ([Officer Resources section](#)) of aapc.com. Go to Local Chapters > Officer Hub > Officer Resources, then click on the Event Support Tab.

7.8.2 Chapters are not required to provide CEU certificates at chapter meetings. Following the marking of all in attendance at monthly meetings, the CEUs will be automatically added to each chapter member's account.

7.8.2.1 In order to receive CEU credit for event attendance, a member must be present for at least 50 percent of the educational session.

7.8.3 Chapter business discussions, meals and breaks do not count as educational time and should not be submitted for CEU approval.

7.8.4 All changes to an approved CEU event must be submitted to and approved again

by the CEU Vendor Department.

- 7.84.1 If changes are needed to the number of CEUs assigned after the approved event has taken place, chapter officers should report the revised number of CEUs by going online to where the event was submitted and editing the time for accuracy. This is only necessary if the time is significantly cut short or goes long.
- 7.85 Each speaker is responsible for the content of his/her presentation. AAPC will not be held responsible for incorrect information presented. Speakers should be requested to complete a Local Chapter Speaker Agreement form and the completed form should be kept on file with the local chapter for one year from the date of the meeting.
 - 7.85.1 AAPC strongly discourages paying a speaker fee to present at local chapter meetings. However it recognizes that there may be an occasion where basic travel costs incurred by the speaker will be reimbursed by the local chapter (eg, airfare, hotel, mileage). Chapter officers should be resourceful and good stewards of chapter funds when securing speakers.
 - 7.85.2 Speakers with honorariums totaling more than \$400 per year may be required to submit additional information as per IRS regulations.

7.9 Apply for CEUs Online for Chapter Events

- 7.9.1 Events are awarded one CEU per hour of healthcare business-related education.
- 7.9.2 Local chapter officers are responsible to ensure that a true hour of learning is being provided for each awarded CEU. Increments of 15 minutes are acceptable. Example: the educational presentation at a chapter event lasted one hour and 45 minutes. The meeting would be eligible for 1.75 CEUs.
- 7.9.3 The CEU Vendor Department approves the chapter events and assigns each event a separate index number.
- 7.9.4 When two or more chapters collaboratively host an in-person or virtual event, each chapter should submit a separate meeting for reimbursement (so it can count toward the required number of education events). Each chapter involved will receive a unique CEU code that will be given or uploaded to the attendee tracker.
- 7.9.5 Requests for CEUs submitted online are typically approved within two weeks.
- 7.9.6 CEUs will not be awarded retroactively.

- 7.9.7 Education curriculum must be comprised of core educational content. Core

competency is defined as something that AAPC credentialed members do at the core of their day-to-day practice. Pre-approved core competency CEUs will be granted at 100 percent for education.

7.10 Local Chapter Activities and Social Events

- 7.10.1 The local chapter will provide fair and reasonable accommodations for attendees with disabilities.
- 7.10.2 Local chapters may hold social events such as annual awards banquets, picnics, and other such social events. The cost of the event may be passed on to the attendees. CEUs are not awarded for social activities.
- 7.10.3 No alcohol can be provided at chapter-sponsored events through the use of local chapter funds.

7.11 Local Chapter Seminars

- 7.11.1 Local chapters may plan and conduct seminars. The purpose of these events is to provide extended educational opportunities for the local members beyond the regular chapter meetings, at a reasonable cost to members. AAPC is available to provide reference support.
- 7.11.2 Seminars are presented under the direction of the local chapter.
- 7.11.3 The local chapter is responsible for all seminar-related expenses. Any income generated from the seminar is retained by the local chapter for their use.
 - 7.11.3.1 Sponsoring chapters with individual speaker honorariums totaling more than \$400 per year may be required to submit additional information as per IRS regulations.
 - 7.11.3.2 Where two or more chapters work together to sponsor a seminar and profits are expected to be made only one chapter should be in charge of funds, keeping accurate records so as to report and disperse funds with chapters involved.
 - 7.11.3.2.1 Chapters should reconcile and divide the income and expenses immediately following the event.
 - 7.11.3.3 No reimbursement is provided to chapters for seminars; however, AAPC is tracking seminar attendance so you should mark attendance on the website.
- 7.11.4 Registration fees should cover the cost of producing the event with a reasonable profit. Higher fees may be charged to non-AAPC members.

7.11.5 Companies may co-sponsor chapter seminars but the chapter must handle registration, collection of money, advertising, etc. Any promotion or benefit must be for the chapter.

7.11.5.1 Chapters may seek support from sponsors and/or exhibitors and may charge a participation fee to help offset costs of the seminar. It is up to the chapter's discretion on the appropriate fees.

7.12 Apply for CEUs Online for Chapter Seminars

7.12.1 One (1) CEU will be awarded for each hour of education.

7.12.2 CEUs should be requested at least 60 days in advance of seminar and CEUs must be approved before brochures and advertisements are printed and distributed.

7.12.3 CEU approval will be assigned for each separate educational session. Therefore, a seminar with multiple speakers and/or topics will have multiple CEU index numbers.

7.12.4 Classes that are not related to the business of healthcare will not receive CEUs. CEUs will not be given for meals or breaks.

7.12.4.1 Attendees should attend more than half the meeting to receive full CEU credit, otherwise no CEU credit will be given.

7.13 Local Chapter Examination Review Classes

7.13.1 Local chapter officers may help members prepare for certification examinations by offering exam review classes.

7.13.1.1 Review classes must be conducted by an AAPC-Approved Instructor (and must follow the current year's exam review curriculum provided by AAPC for the relevant certification).

7.13.2 Attendees, including presenting speaker(s), are awarded CEUs for exam review classes. For exam review classes with multiple meeting dates, each date must be submitted as a separate request. Index numbers will be issued for each date.

7.13.2.1 Upon approval, exam review classes will be listed on AAPC's website. Examinees that contact AAPC about exam review classes will be directed to the local chapter.

7.13.3 The local chapter is responsible for handling the scheduling, instruction, and registration for examination review classes.

7.13.4 Local chapters are responsible for all fees associated with providing a review class. Fees should be reasonable. Higher fees may be charged to non-AAPC members.

7.13.5 Registration fees should cover the cost of producing the event with a reasonable profit going to the chapter.

7.14 Review Class Curriculum

7.14.1 Review classes must be led by an AAPC approved instructor or AAPC approved facilitator.

7.14.2 Curriculum for review classes should be based on AAPC's Study Guide for the certification and other appropriate study materials.

7.14.2.1 The study guides may not be reproduced in any manner.

CHAPTER 8

AAPC Educational/CURRICULUM SITES AND LOCAL CHAPTERS

8.1 Educational/Curriculum Sites

- 8.1.1** Chapters have the opportunity to build their membership and mentor beginning coders when relationships are established with schools and AAPC approved instructors in their areas.
 - 8.1.1.1** A list of all AAPC curriculum sites is available on AAPC's website.
- 8.1.2** Instructors at curriculum sites are also asked to encourage their students to attend AAPC's local chapter events.
 - 8.1.2.1** When local chapters and curriculum sites support each other, the students receive additional opportunities to enhance their educations, and network with coding professionals in their areas.

8.2 Developing Relationships

- 8.2.1** Member development officers can establish a relationship with AAPC approved instructors by:
 - 8.2.1.1** Contacting all instructors in the area and introducing themselves.
 - 8.2.1.2** Arranging a time to visit the class and meet the students.
 - 8.2.1.3** Explaining the workings and the benefits of AAPC local chapters.
 - 8.2.1.4** Inviting the students as well as the instructors to local chapter events.

CHAPTER 9

- 9.1.1 The purpose of the Chapter of the Year Award is to recognize and honor one local chapter that has complied with the Local Chapter Handbook and gone above and beyond what is expected. This award is presented once per year at AAPC's national conference.
- 9.1.2 The Chapter of the Year is awarded for the prior year. For example, 2024 award is based upon the 2023 chapter year.

CHAPTER 11

FINANCIAL INFORMATION

11.1 Local Chapter Funds

- 11.1.1 The mission of AAPC local chapters is to provide services to AAPC members. Chapters should not accumulate excess funds over \$5000.00. Local chapters have funds available from a number of sources to be used for the general operation of the chapter .
- 11.1.2 The AAPC reserves the right to conduct random or targeted audits of local chapter accounts and to direct the use of local chapter funds.
- 11.1.3 Chapters that make a huge profit at the end of the year or that stockpile funds may may be liable for applicable taxes owed.

11.2 Accounting

- 11.2.1 Local chapters may use chapter funds to cover expenses including, but not limited to, the payment of local event meeting rooms, speakers, handouts, refreshments, promotion of the local chapter, and other general chapter expenses.
 - 11.2.1.1 AAPC strongly discourages paying a speaker to present at local chapter meetings. However, it recognizes that there may be an occasion where basic travel costs incurred by the speaker will be reimbursed by the local chapter (eg, airfare, hotel, mileage). Chapter officers should be resourceful and good stewards of chapter funds when securing speakers.
- 11.2.2 Chapter funds may also be used as equitable incentives for all chapter members. Approved expenses include costs such as member registrations for AAPC national or regional conferences, AAPC workshops, and to purchase educational materials and products. Reimbursement for conference/workshop expenses such as air travel, hotel accommodations and/or meal costs are not recommended.
 - 11.2.2.1 It is imperative that local chapter officers predetermine and design a fair and equitable means to determine who qualifies and receives the sponsorships for conference, workshop attendance, etc. All members should have an opportunity to earn these incentives.
 - 11.2.2.2 Chapter funds cannot be used for expenses for conferences, registrations, workshops or membership in any organization other than AAPC .

11.2.2.3 Any non-traditional use of chapter funds must be approved by a majority of the officers. Furthermore, such approvals should be documented in writing for future reference.

11.2.3 Expenditures for conducting chapter business are to be determined by the local chapter officers.

- 11.2.3.1 Chapter officers will discuss and come to an agreement on how chapter funds will be spent, with the support of the general membership.
- 11.2.3.2 Chapter funds may be used to educate the membership and further the growth of the chapter. Examples of the use of chapter funds include scholarships, door prizes, conferences, membership dues, etc.
- 11.2.3.3 Chapter funds may be used to contribute in part or in full to the payment of officers' membership dues (or other forms of compensation, as deemed appropriate.)
- 11.2.3.4 An incentive program for members may be provided as well.
- 11.2.3.5 All chapter property should be accounted for and documented in writing in a Chapter Property Statement. Other matters regarding assets of the local chapter can also be addressed, including specific responsibilities for chapter officers to maintain/protect the chapter property.
 - 11.2.3.5.1 The chapter president and treasurer will be the officers responsible for maintaining/safeguarding the inventory items listed in the Chapter Property Statement. The original and current/updated Chapter Property Statement(s) should also be maintained. Transfer to the new officers should occur by December 31 each year.

11.2.4 Local chapters should refrain from stockpiling a great deal of money from year to year. All chapter funds are to be used for the general membership of the chapter.

- 11.2.4.1 The incoming president and treasurer should meet with current officers at the end of each year and decide how much money is required to be in the account to start the new year. For example, if your local chapter is holding a large event during the first few months of the year, you may need funds in the account.
 - 11.2.4.1.1 Prior to completion of the final Profit and Loss statement, the incoming and outgoing presidents and treasurers should review the chapter's finances.

- 11.2.4.2 Chapters with greatly increased funds at year end may be financially responsible to AAPCCA for taxes owed to the IRS for the excess funds.
- 11.2.4.3 If a chapter has accumulated excess funds, it may donate a portion to the AAPCCA Hardship Fund to help reduce the account balance. Donations should be made by December 15th.
 - 11.2.4.3.1 Send funds to AAPCCA Hardship Fund, c/o Local Chapter Team, AAPC, 2233 Presidents Drive, Suite F, Salt Lake City, UT 84120
- 11.2.4.4 Officers are encouraged to spend excess funds on their members. Officers are also members and may be part of the equitable use of funds.
- 11.2.5 Officers may be given a gift of appreciation at the end of the year.
- 11.2.6 Members should be made aware of all and any perks available to officers and members alike.

11.3 Financial Reports

- 11.3.1 The treasurer reports on chapter funds at all local chapter meetings and responds to reasonable requests for financial information from chapter members, AAPC, or the AAPCCA .
- 11.3.2 A financial statement must be prepared and made available at each chapter meeting.
 - 11.3.2.1 AAPC reserves the right to conduct random audits of chapter financial records.

11.4 Bank Statement and Profit and Loss Statement

- 11.4.1 Total income and total expense for the Profit and Loss statement must be entered monthly.
 - 11.4.1.1 The profit & loss online form is available for all officers to view but only the chapter president and treasurer have access to submit the information.
 - 11.4.1.1.1 The profit & loss online form will only be available through the end of the following quarter. You will not be able to make edits to P&L statements beyond that timeframe.
 - 11.4.1.2 A bank statement is required to be uploaded each month in order to receive the quarterly reimbursement.

11.4.2 Local chapters are not required to file a tax return.

11.5 Reporting Speaker Honorarium

11.5.1 Local chapters paying any speaker an honorarium, whether for speaking at a meeting, seminar, or review class, must report the information to AAPC on a quarterly basis. Honorariums do not include speaker expenses.

11.5.2 Speaker honorariums will be reported online.

11.5.2.1 Chapters paying individual speaker honorariums totaling more than \$400 per year may be required to submit additional information as per IRS regulations.

11.6 Chapter Bank Account

11.6.1 All funds received by the local chapter must be deposited into the local chapter bank account within three (3) business days of receipt.

11.6.2 Each local chapter bank account must be registered with AAPCCA's tax identification number (20-8526803).

11.6.2.1 Local chapters may not use their own tax identification number.

11.6.2.2 Banks may require officers with bank account access to provide their Social Security Number to verify identity and ensure security of local chapter funds. This requirement is a banking function and is not enforced or regulated by AAPC.

11.6.2.2.1 If a chapter officer declines to provide this required information, the officer must resign from their position as an officer.

11.6.3 The name on the chapter bank account must match the chapter name (e.g., AAPC Mobile Alabama Local Chapter).

11.6.4 The signatures of the president and treasurer are the only two required on the bank account.

11.6.4.1 A statement from AAPC will be sent upon request, authorizing the president and treasurer to be signers on the chapter's existing bank account.

11.6.5 The only signers on the local chapter bank account are the president and treasurer. Either officer may sign a check drawn on this account. Two signatures are not required.

- 11.6.5.1 A chapter may decide to utilize a debit card attached to the chapter bank account.
- 11.6.5.2 In the event a debit card is misused, the chapter officers must turn the debit card over to AAPC and must exclusively use checks until further notice.
- 11.6.6 It is the responsibility of the newly elected president and treasurer to verify that all banking account information, including the tax ID number, signature cards and account name are correct and in compliance with the guidelines in this section.
- 11.6.7 Reimbursements will be made through direct deposit into the local chapter bank account on a quarterly basis if requirements are met.

11.7 Covering Expenses of Local Chapter Meetings

- 11.7.1 Inasmuch as membership with AAPC automatically entitles members to attend local chapter meetings/events, local chapters should not charge any type of membership dues. It is the AAPC mission to enable members to participate without significant cost.
 - 11.7.1.1 Please be sensitive to members who may have financial hardship issues.
 - 11.7.1.2 Higher fees may be charged to non-AAPC members. Local chapters will collect these additional monies with no involvement from AAPC.
- 11.7.2 Important things to remember. If collecting funds for Review classes and Seminars:
 - 11.7.2.1 Treasurer will be the primary contact for the collection of all funds.
 - 11.7.2.1.1 Should the treasurer not be available for an event where fund collection is required, the treasurer along with the president, will determine which officer(s) will cover these duties.
 - 11.7.2.2 A receipt will be provided to any member or attendee requesting such, regardless of their form of payment.
 - 11.7.2.3 Upon receipt, all checks will immediately be endorsed as 'For Deposit Only' and the chapters' proper name.
