

3-Day Certified Professional Coder (CPC)[®] Review Course Syllabus

Prerequisites: Knowledge of medical terminology and anatomy (or AAPC courses) strongly recommended.

Course Length: Three days. The learner will have 30-day access to the course.

Class Hours: Days/Times Per Week: Live virtual instruction (3 evenings, 4 hours per session).

CEUs: No CEUs will be given for this course.

Course Description: Prepare with confidence for the CPC[®] exam through this focused, instructor-led 3-day virtual review course. Designed for learners who have completed their CPC training and are ready to reinforce key concepts, this course offers structured review sessions, timed practice, and valuable exam strategies to boost exam readiness.

Course Objectives:

- Accurately apply official coding guidelines for ICD-10-CM, CPT[®], and HCPCS Level II code sets
- Identify and extract relevant information from clinical scenarios to assign appropriate diagnosis and procedure codes.
- Utilize a foundational knowledge of medical terminology and anatomy to support accurate code selection.
- Understand and apply coding-related regulatory requirements.
- Self-assess coding proficiency and exam readiness by completing CPC[®] practice exams under timed conditions.

Course Content:

- Compliance and Regulatory
- Anatomy and Medical Terminology
- ICD-10-CM Coding
- CPT[®] Coding
- HCPCS Level II Coding
- Practice Exams

Course Includes:

1. Live virtual instruction (3 evenings, 4 hours per session)
2. Three CPC[®] Practice Exams
3. 2025 CPC Study Guide - eBook; AAPC; AAPC publisher
4. One CPC[®] exam voucher

Required Code Books (Not Included):

1. CPT[®] Professional Edition code book (2025 year), AMA publisher
2. ICD-10-CM code book (2025 year), any publisher
3. HCPCS Level II code book (2025 year), any publisher

Required code books may be purchased through AAPC or any major bookseller.

Course Enrollment Fee: Payment is due in full at time of enrollment. Fees listed do not include any required or recommended textbooks/supplies or computer requirements, which are to be purchased separately by the student. Prices are variable and subject to change, see AAPC website for most current enrollment fees:
