Stephani Scott RHIT, CPC | Vice President of AAPC Services

Stephani has over 25 years of experience in the healthcare industry working closely with physicians and staff in Health Information Management. She has worked in a variety of settings including hospital, long-term care, large multi-specialty physician practice, and electronic health record software design and development. Stephani was also part owner of a consulting company for many years, providing services in best practices for physician practice management services, including coding, billing, and revenue cycle management audits. She has extensive experience in inpatient and outpatient auditing and coding compliance and is responsible for the overall project performance and client satisfaction.

Marina Gregory CPC, CPMA, CEMC | Senior Director of AAPC Services

Marina has more than 20 years of experience in professional coding, compliance, and billing services. In her previous roles she was responsible for auditing and providing education to providers, ensuring compliance with current policies and regulations. Marina's expertise includes auditing E/M services in almost all specialties with emphasis in cardiology, psychiatry, emergency medicine, and primary care. Marina serves as the primary project lead and is responsible for overall project management of your audit work, including coordinating auditor assignments, quality control, and final deliverables.

Jessica J Winters CPC, CPMA, CRC | RCM Resource Manager

Jessica has over 13-years' experience in the healthcare industry. She comes from Federally Qualified Health Care organizations who participate in ACOs. Much of this time she was a Professional Coding Manager overseeing 20 certified professional coders. She oversaw professional coding to include primary care (family medicine, internal medicine and pediatrics), OB/GYN, midwifery, behavioral health (both mental health and primary care behavioral health), hospitalists, laboratory and radiology services. She worked closely with the revenue cycle team to include denial, claim edit, claim rejection management and payment posting. Jessica was also very active in assisting the quality and informatics side of healthcare. Currently, Jessica serves as RCM Resource Manager for AAPC Services.

Lori Cox MBA, CPC, CPMA, CPC-I, CEMC, CGSC, CHONC | Director of Client Engagement

Lori has over 20 years of experience in the business side of healthcare. She began working as a Patient Accounts Representative, then transitioned to the billing department. She was promoted to Billing Supervisor and later became the Compliance Officer, where she was responsible for maintaining the Compliance Plan and educating staff on fraud and abuse. Currently, Lori works as a Regional Director, performing audits and education for clients across the U.S. She has a Masters in Business Administration from Quincy University and has traveled the country speaking to coders and providers on Hem/Onc, E/M guidelines, and proper coding. She has written many articles for Healthcare Business Monthly and her specialties include E/M, Hem/Onc, Auditing, General Surgery, Internal Medicine, Family Practice, and Pediatrics.

Jennifer Hicks CPC, CRC | Risk Adjustment Manager

Jennifer is a healthcare industry veteran with an impressive 23-year track record. Her expertise lies in the intricate world of revenue cycle management, where she possesses a wealth of knowledge from both the provider and health plan perspectives. Jennifer's specialization lies in Risk Adjustment, an area in which she has dedicated the majority of her career. She is well-versed in conducting Medicare and Medicaid RADV reviews, as well as working with ACO and other risk models for retrospective, prospective, and concurrent risk auditing. Jennifer also has spearheaded the implementation of various risk adjustment projects, including quality programs and coder auditor training programs. Jennifer currently manages AAPC Services risk adjustment business lines.
