Ready to learn all about the revenue cycle? Talk to your employer about REVCON Virtual.

REVCON VIRTUAL by **AAPC**

Did you know over 80% of AAPC conference attendees' costs are covered by their employers? Many employers have found it beneficial to their business to send employees to REVCON Virtual, a virtual-only conference all about the revenue cycle — for beginners and working pros alike.

And the best part? Attendees will return with best practices, along with the knowhow to apply them effectively.

Tips to get your employer on board:

1 **Be prepared.** We'll be announcing the agenda soon. Review it and highlight the sessions that complement your skills and/or your employer's needs.

2 **Focus on continuing education.** Tell your supervisor that this 2-day virtual event is a great way for you to earn CEUs, along with gaining insight on best practices from leading experts in the industry.

3 **Don't be afraid to ask.** Educate your supervisor about what you'll take away from the conference and how it will help you and your team. Mention that REVCON Virtual is a virtual- only conference, so there are no hotel or travel bills — just valuable learning that can translate to your employer's bottom line.

> "This was a great conference. I was most surprised by how valuable the virtual networking event was-it completely exceeded my expectations. The speakers for all the breakouts I attended were knowledgeable and strong communicators. I learned a lot and have some great takeaways."
