GREEN  
LIVING

- Dual-paned low E-vinyl framed white windows
- SunPower Solar System

HEALTHY  
HOME

- HVAC systems with MERV 13 filtration, designed to capture airborne particles less than a micron in size including bacteria, pet dander, and smoke
- High-quality inline kitchen water filtration with the Everpure EF-6000 out-of-sight filter, which catches contaminants and removes sediment between pipes and tap to reduce chlorine tastes and smells, prevent cloudy water, and keep water flowing easily and clearly
- The Delta Touch 2.0® Faucet with VoiceIQ™, which allows you to turn your kitchen faucet on and off with just a touch or the sound of your voice\*
- Exterior and interior building standards designed to keep the insides of your walls dry to help prevent mold, including water resistant house wrap, flashing, and sealants to keep moisture out
- Durable PEX tubing for plumbing and DensShield® Tile Backer in bathrooms to create a moisture barrier between your shower and interior walls
- Carpet, vinyl, engineered wood, laminate flooring, cabinets, and adhesives now certified as low-VOC
