HEALTHY
HOME

The Delta® Touch₂O® kitchen faucet with VoiceIQ allows you to turn the faucet on and off with just a touch or voice command.

(Voice command works with your Alexa or Google Home device.)

High quality water filtration system, which catches contaminants and removes sediment between your pipes and your kitchen tap to reduce chlorine taste and smell, prevent cloudy water and keep water flowing easily and clearly.

HVAC system with **MERV 13 air filtration**, designed to capture airborne particles less than a micron in size. Including bacteria, pet dander and smoke.

Quality low VOC flooring, paint, cabinets and adhesives are all certified as low VOC.

Water Resistant House Wrap, including flashing and sealants to keep moisture out. Designed to keep the insides of your walls dry to help prevent mold.

*Included on all new construction as of 10/15/2020.
