

HIGH PRESSURE APPLICATIONS

- GASKETS & SEALS
- SPIRAL WOUND GASKETS
- METAL GASKETS
- AND MORE

CRG is highly experienced in supplying gaskets and other products for high pressure applications. Such applications can be found in many industries. In these instances, containment of liquids and gases under high pressures is critical for safety and reliability, and therefore require special consideration.

We have the materials, quality, experience, processes and services to ensure you're well taken care of. Our work is field-proven and our friendly staff are ready to help anytime.

INDUSTRIES WHERE HIGH PRESSURE CONSIDERATIONS ARE COMMONLY REQUIRED

- Automotive
- Food Processing
- Mining & Aggregates
- And More
- Machinery & Equipment
- Electronics & High Tech
- Water & Wastewater

Please send us your CAD or 2D drawings for a quotation.
