- MOULDED PRODUCTS

CRG has been a preferred provider to many of the world's leading automakers and their suppliers with custom cut, fabricated and molded automotive products for over 30 years.

All aspects of our operations conform to the ISO 9001:2015 standard, and we have a range of services available which are tailored for serving automotive and transportation customers reliably and responsively.

COMMON INDUSTRY CHALLENGES

- Quality Control, Testing and Traceability
- Responsiveness – Short lead times and JIT Delivery
- Dimensional Precision and Consistency to Spec
- Program Management, EDI Release Schedule, Level 3 PPAP
- And More

Please send us your CAD or 2D drawings for a quotation.
