

METRIE.

METRIE® WELCOMES NEW VICE PRESIDENT, STRATEGY & BUSINESS DEVELOPMENT.

FOR IMMEDIATE RELEASE

VANCOUVER, B.C. JULY 13, 2023 – Metrie®, North America’s largest manufacturer and distributor of millwork solutions, is pleased to announce the appointment Elise Osier as Vice President, Strategy & Business Development. In this role, Mrs. Osier will be responsible for driving Metrie’s strategy implementation and accelerating the company’s growth.

With more than ten years of Corporate Development and Strategy experience, Mrs. Osier brings a wealth of knowledge and expertise to Metrie, with a proven track record of success in developing and executing strategic initiatives. Prior to joining Metrie, she was Director of Corporate Development at a global forest products company with operations across three continents.

“We are excited to have Elise join our team as the Vice President, Strategy & Business Development,” commented Kent Bowie, President & CEO, Metrie. “Her extensive forest products industry knowledge and exceptional strategic leadership skills make her a powerful addition to our leadership team. We believe that her strategic acumen and capabilities will play a crucial role in propelling Metrie to new heights. As a team of 2000 people, we are striving to be the most trusted integrated millwork supplier in North America.”

“I am honored to join Metrie, a true leader in our industry,” commented Mrs. Osier. “Metrie’s commitment to excellence and industry-leading standards for all our stakeholders – employees, customers, and community – aligns with my professional goals and personal values. I look forward to being part of this talented team and forging strategic partnerships that will shape the future of Metrie.”

About Metrie®:

For nearly 100 years, Metrie has helped people transform their homes with high-quality millwork products. The Metrie story began in 1926 as a small, family-owned and -operated business in Vancouver, B.C. Since then, Metrie’s commitment to innovative design and fine craftsmanship has helped the company expand operations to include six solid wood and MDF manufacturing facilities, plus 29 distribution centers in the U.S. and Canada. Metrie has grown over the last nine decades to become the largest MDF moulding manufacturer in North America.
