

## **METRIE® EXPANDS PRODUCT ASSORTMENT, ADDING INTERIOR DOORS TO KEY MARKETS IN THE MIDWEST AND FLORIDA**

### **FOR IMMEDIATE RELEASE**

**VANCOUVER, B.C. (April 10, 2025)** – Metrie®, North America’s largest manufacturer and distributor of millwork solutions has expanded their assortment to include interior doors in the U.S. Midwest and Florida regions.

With over 50 years of experience in the Canadian door market and an established door business in its Metrie EL & EL division, Metrie is leveraging its category knowledge and strong supplier partnerships to bring an expanded assortment to more of its customers. In both regions, Metrie will be carrying an extensive stocked assortment of high-quality interior doors, available in various styles and sizes.

At Metrie, we believe everyone deserves a home that feels complete. By bringing doors to customers, we’re staying true to our promise of being North America’s most trusted millwork company.

“We are excited to continue to expand our product assortment in the Midwest and Florida markets, bringing our supply chain strength and commitment to quality to the category of interior doors” said Kevin Bartel, VP & GM, Pro Channel. “Customers who choose to buy doors from us can expect the same great service we have become known for within the moulding category. Expanding into interior doors in these markets is just another example of our commitment to being the easiest company to partner and grow with”. Expansion into the Midwest and Florida markets comes in addition to the Phoenix and Denver market which launched in 2024.

### **About Metrie®:**

For nearly 100 years, Metrie has helped people transform their homes with high-quality millwork products. The Metrie story began in 1926 as a small, family-owned and -operated business in Vancouver, B.C. Since then, Metrie’s commitment to innovative design and fine craftsmanship has helped the company expand operations to include six solid wood and MDF manufacturing facilities, plus 28 distribution centers in the U.S. and Canada. Metrie has grown over the last nine decades to become the largest MDF moulding manufacturer in North America.
