METRIE
complete.

Metrie Complete® pre-painted mouldings are specially formulated for durability and provide a beautifully smooth, consistent colour for professional results.

This patented solution, combined with Metrie's strong distribution and service model, helps builders and contractors save money and increase margins.

HIGH QUALITY

Factory finished, smooth surface and colour matching system ensures professional results every time.

SAVES TIME

Ready to install, pre-painted moulding reduces the number of steps required for installation and allows faster access to the site by other trades.

SAVES MONEY

Metrie Complete® eliminates the cost of additional labor and supplies while lowering financial costs due to earlier closing.

THE DIFFERENCE IS IN THE DETAILS

- Factory finished, high-quality coating is engineered to enhance durability.
- All moulding products and accessories are Polar White in colour for a consistent appearance.
- Non-metal marking finish provides good protection in handling and transport.
- UV inhibitors, added to the top coat, prevent colour variation.
- Colour-matched to ensure the perfect match across all moulding elements.
- Special additives allow the paint to flex — minimizing paint cracking when moulding is handled.
- Touch-up products are available with everything you need to finish the job.

METRIE

OUR BEGINNINGS ARE IN FINISHINGS

Since our beginnings as a small family-owned business in 1926, our dedication to creating high-quality, finely crafted architectural elements has helped us become the largest supplier & manufacturer of solid wood and composite moulding in North America. Through our domestic manufacturing facilities, distribution centers, & global supply network, Metrie offers everything needed to set the stage for your space and your project's success.

POLAR WHITE TOUCH-UP ACCESSORIES

METRIE COMPLETE® SPRAY ENAMEL

Spray Enamel is a colour and sheen matched, halo-resisting paint that is used to hide any nail holes or miters. The quick-dry formula sprays on evenly and blends with the pre-painted moulding for a flawless finish.

METRIE COMPLETE® PREMIUM WAX FILLER

Premium Wax Filler is a quick and easy way to fill in nail holes after installation. It is also ideal for touching up any future blemishes that may occur over the life of the moulding.

METRIE COMPLETE® PREMIUM FINISHING PUTTY

For use with Metrie Complete® pre-painted interior finishing products to fill minor seams and voids or to make small cosmetic repairs.

METRIE COMPLETE® PREMIUM COLORED CAULKING

Premium Colored Caulking is a color-matched sealant used to fill joints and gaps between the walls and trim after installation.
