

## METRIE® CELEBRATES SIX YEARS OF COMMUNITY IMPACT

### FOR IMMEDIATE RELEASE

**VANCOUVER, B.C. (Dec 20, 2024)** – Metrie®, North America’s largest manufacturer and distributor of millwork solutions, is proud to celebrate the sixth anniversary of its Community Impact Program. Over the past six years, Metrie has made contributions to local charities across North America, supporting families and individuals in meeting their basic needs and building their own sense of home, which aligns with Metrie's purpose of *helping people transform houses into homes*.

“Through our Community Impact Program, we’ve contributed just shy of a million dollars to local charities around North America. This reflects our commitment to giving back to the communities where we live and work,” said Kent Bowie, CEO, Metrie.

The Community Impact Program is a cornerstone of Metrie’s commitment to social responsibility. By partnering with charitable organizations, Metrie has been able to create a sense of home in the communities we serve. These efforts have not only provided immediate relief but have also supported individuals and families to foster a stable and nurturing environment.

Key Highlights of Metrie’s Community Impact Program:

- **Nearly \$1 Million in Donations:** Metrie has donated close to a million dollars to various charities across North America.
- **A Sense of Home:** Charities are selected and deployed by Metrie employees at the local level, which enables our teams to more deeply serve their local community.
- **Empowering Communities:** By addressing food and housing insecurity among other basic needs in our communities, Metrie helps individuals and families build a foundation for a better future.

### ABOUT METRIE

For nearly 100 years, Metrie has helped people transform their homes with high-quality millwork products. The Metrie story began in 1926 as a small, family-owned and -operated business in Vancouver, B.C. Since then, Metrie’s commitment to innovation and customer experience has helped the company expand operations to include seven domestic millwork manufacturing sites producing solid wood and MDF mouldings with pre-finishing capabilities for both mouldings and doors, plus 26 distribution centers in the U.S. and Canada.

Metrie has grown over the last nine decades to become the largest MDF moulding manufacturer in North America.
