METRIE® EXPANDS PRESENCE IN THE US WITH NEW MARYLAND FACILITY

FOR IMMEDIATE RELEASE

VANCOUVER, B.C. (July 16, 2024) – Metrie®, North America’s largest manufacturer and distributor of millwork solutions, is pleased to announce the grand opening of its newest distribution center in Frederick, MD.

This state-of-the-art facility replaces the former Columbia, MD, location and is now fully operational and ready to serve customers with enhanced efficiency. The strategic move to Frederick underscores Metrie’s unwavering commitment to being North America’s most trusted millwork supplier.

“The new Frederick hub is a game-changer for our operations and is purposefully located to better service our customers,” stated Ben Lavallee, Chief Operating Officer, Metrie. “It’s been meticulously designed to optimize our logistics, boost efficiency, and cut down on lead times. Our priority is delivering unparalleled service and quality to our customers, making Metrie the easiest and most reliable partner in the industry.”

Kent Bowie, President & CEO, Metrie, echoed this enthusiasm. “The Frederick facility represents a pivotal milestone in our growth journey. It embodies our dedication to innovation and excellence, promising unmatched value to our customers. This new center is a testament to our ongoing evolution in product development and service offerings, ensuring we remain at the forefront of the millwork industry for years to come.”

About Metrie®:

For nearly 100 years, Metrie has helped people transform their homes with high-quality millwork products. The Metrie story began in 1926 as a small, family-owned and -operated business in Vancouver, B.C. Since then, Metrie’s commitment to innovative design and fine craftsmanship has helped the company expand operations to include six solid wood and MDF manufacturing facilities, plus 28 distribution centers in the U.S. and Canada. Metrie has grown over the last nine decades to become the largest MDF moulding manufacturer in North America.
