

## A MATTERPORT 3D VIRTUAL TOUR CAN HELP YOU INCREASE ENQUIRIES AND SELL YOUR HOME FASTER

In today's market, you can almost guarantee that the ideal buyer for your home will start their property search online. In fact, we know 95% of house-hunters look for their new home using the internet. There is no better way to grab attention online than with a 3D virtual tour.

### Our 3D virtual tours are proven to help:

- Buyers are **95%** more like to enquire about a home for sale that has a virtual tour
- Some **20%** of buyers made an offer after just viewing a virtual tour and not visiting the property
- Agents reported a **9%** higher sales price for homes marketed with a virtual tour
- Properties with a 3D virtual tour spend a **third** less time on the market
- Buyers undertaking viewings are **49%** more qualified after they've seen a 3D virtual tour

Most of the major property portals support 3D virtual tours, meaning that your property will stand head and shoulders above the competition.
