## International Migration Leaders

Established for over 25 years as an International Wealth Management and Advisory Firm, with Holborn Assets, you have the full backing of a well-established, international company.

As global leaders in residence and citizenship by investment schemes, over the past years we have assisted individuals to find the right program fit for their and their family's neexds and requirements, empowering them to become Global Citizens. Allow us to assist you by supporting you through this process.

### Support through every step...

**Preparation Time:**

Decision to proceed, collection of documents, completion of forms and submission of the application to the CBIU

**Processing Time:**

Examination of the application by the St. Lucia authorities, and receipt of "Approval in Principal letter"

**Finalisation of Process:**

Transfer of funds and payment of remaining government fees, issuance of Naturalization certificate and application for your passport

## There are three main routes to obtain citizenship:

**1: Contribution to the National Economic Fund with a minimum investment amount of $240,000 for one person and up to three qualifying dependents:** The funds are used to enhance the infrastructure and utilities of the island, and the amount is only paid once the application has been approved.

**2: National Action Bond with a fixed investment amount of $300,000, regardless of the number of applicants:** These bonds are non-interest bearing and must be kept for a period of 5 years. Once the holding period is over, the bond investment is fully refunded by the government to the investor.

**3: Real Estate Property with a minimum investment amount of $300,000:** The investor must purchase a government approved real estate project and hold the investment for 5 years. Two types of projects are eligible, either high-end branded hotels and resorts or high-end boutique properties.

Note: Administrative, processing and government fees are not included in the above amounts
