## TASK MASTERY MADE EASY

Xquick couplers guarantee uninterrupted production during tool changes, even for short-term tasks. Compatible with a diverse range of booms and other hydraulic, non-powered, and electric tools up to 100A, these couplers streamline operations by swiftly connecting the ideal tool for any job.

- Change between tools within seconds
- Uninterrupted production
- Master a variety of tasks

# XQUICK

## QUICK COUPLERS FOR AUTOMATIC TOOL CHANGES

The Normet Xrock product family now features Xquick couplers, fully automatic tool changes for optimum efficiency and safety. Say goodbye to manual adjustments, and welcome faster, safer operations to increase efficiency and reduce costs.

Designed in collaboration with OilQuick, these couplers streamline attachment connections to booms, optimizing fleet costs while boosting productivity. Automatic hose closure and dust-protected oil connections promote cleanliness and safety, ensuring smoother operations.

### TIME ON YOUR SIDE

Xquick couplers streamline attachment changes, enhancing efficiency with their intuitive design and robust construction. This allows operators to focus more on the task at hand and less on equipment setup, saving valuable time and resources.

- Streamline attachment changes
- Automatic hose closure saves time by preventing leaks and related downtime
- Optimize fleet cost and usage

### SWITCH SAFELY, WORK CONFIDENTLY

Xquick couplers allow rapid tool changes from within the cabin, reducing the risk of accidents and injuries from manual labor. Secure connections prevent unexpected detachments, ensuring safe and reliable operations.

- Fully automatic tool changes
- Avoid risk of injuries
- Tools are firmly attached

### POLLUTION-FREE PERFORMANCE

Xquick couplers ensure a clean, pollution-free work environment. Automatic hose closures prevent oil leaks, and dust-protected connections keep hydraulic oil pristine. This promotes a healthier workplace and extends equipment life.

- Cleaner performance without oil leakages
- Enhanced sustainability
- Healthier workplace
