

RENTAL & USED EQUIPMENT

DEFINING THE FUTURE

UNDERGROUND

normet
SERVICES

RENTAL EQUIPMENT AVAILABLE

Our rental solution offers a flexible, cost effective alternative to owning – allowing you access to what you need, when and where needed, without the long-term financial commitment or maintenance responsibilities. Choosing from a wide range of up-to-date, high quality and well-maintained fleet all to suit your projects. Giving you greater freedom, convenience, and control.

YOUR PROJECT. OUR SOLUTION.

normet
SERVICES

QUALITY SAFETY RELIABILITY

YOUR SAFEST CHOICE

At Normet Rental we put safety first. Protecting your people, your project, and your bottom line. We're a rental partner committed to rigorous inspections, training, and up-to-date safety standards. We ensure every machine arrives ready, safe, and reliable – giving you and your teams the confidence to work efficiently.

HIGH-QUALITY FLEET FOR CORE UNDERGROUND TASKS IN MINING AND TUNNELLING

LIFTING AND INSTALLATIONS

Strong and reliable lifting solutions for confined spaces with Normet's scissor lifts, basket booms and cassette lifters.

SCALING

Scaling loose rocks with Normet equipment after drilling or blasting ensures a safer underground working environment.

LIFTING AND INSTALLATIONS

EXPLOSIVES CHARGING

SCALING

EXPLOSIVES CHARGING

CONCRETE TRANSPORTATION

The right concrete agitators and transmixers for ensuring improved safety, increased productivity and higher efficiency.

SPRAYED CONCRETE

CONCRETE TRANSPORTATION

UNDERGROUND LOGISTICS

SPRAYED CONCRETE

Industry leading vehicles with concrete spraying technology for underground support structures in mines and tunnels.

UNDERGROUND LOGISTICS

High-quality vehicles for safe transportation of materials – solids, fluids, explosives – as well as personnel at underground sites.

MORE THAN JUST EQUIPMENT

NORMET END-TO-END SOLUTION:

- Full suite of local support and services
- Operator training and access to data
- Spare parts and consumables
- Construction chemicals
- Work tools
- Delivery and collection
- Supporting sustainability goals

TARGETING ZERO EMISSIONS? RENT A NORMET SMARTDRIVE!

BATTERY ELECTRIC VEHICLES

Normet SmartDrive® is a modular battery electric vehicle (BEV) architecture designed to optimize energy consumption and performance in underground mining and tunnelling applications. These vehicles enable higher productivity, lower operating costs and most importantly – zero local emissions.

YOUR FULL-SERVICE PARTNER FOR RENTAL

COMPREHENSIVE RENTAL FLEET

Access to a broad range of specialist mining and tunnelling equipment.

HASSLE-FREE PROJECTS

Choose what you need. We'll handle everything else.

ENSURED AVAILABILITY

Right machine. Right place. Right time.

FINANCIAL PREDICTABILITY

Say goodbye to tying down your capital. Say hello to transparency and predictability.

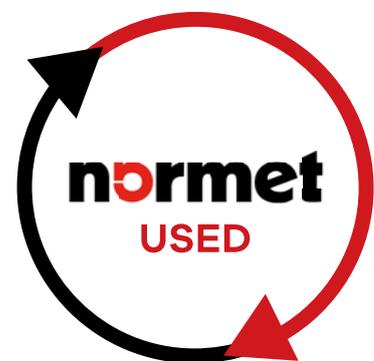

USED EQUIPMENT FOR SALE

- Full service history
- Genuine OEM parts
- Immediate availability
- Proven reliability

WE OFFER SEVERAL OPTIONS FOR GETTING YOUR HANDS ON OUR SOLUTIONS

Choosing Normet Used gives you the power to get premium performance machines to suit your budget – access to reliable, well-maintained machines that delivers the productivity you need without the steep price tag of buying new. With proven durability, faster availability, and immediate savings, used equipment helps stretch your budget further.

KNOWLEDGE AND SKILLS THAT EMPOWER

TRAINING SOLUTIONS

All Normet equipment, whether purchased or rented, is backed by our comprehensive services portfolio. This includes expert operator training, vehicle commissioning, equipment service training, and process application training when required. Through Normet Academy, we dispatch the right trainers and specialists to ensure your team operates safely and efficiently from day one.

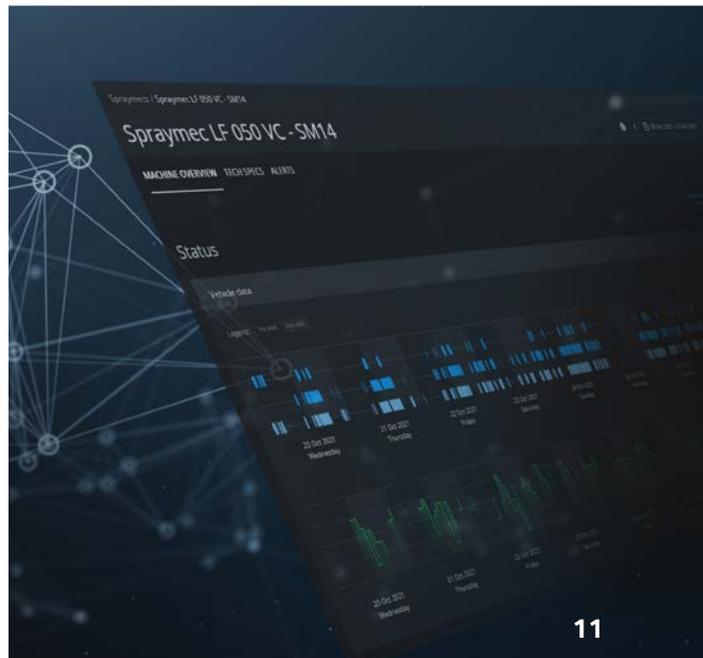

INTELLIGENT INSIGHTS FOR SMART DECISIONS

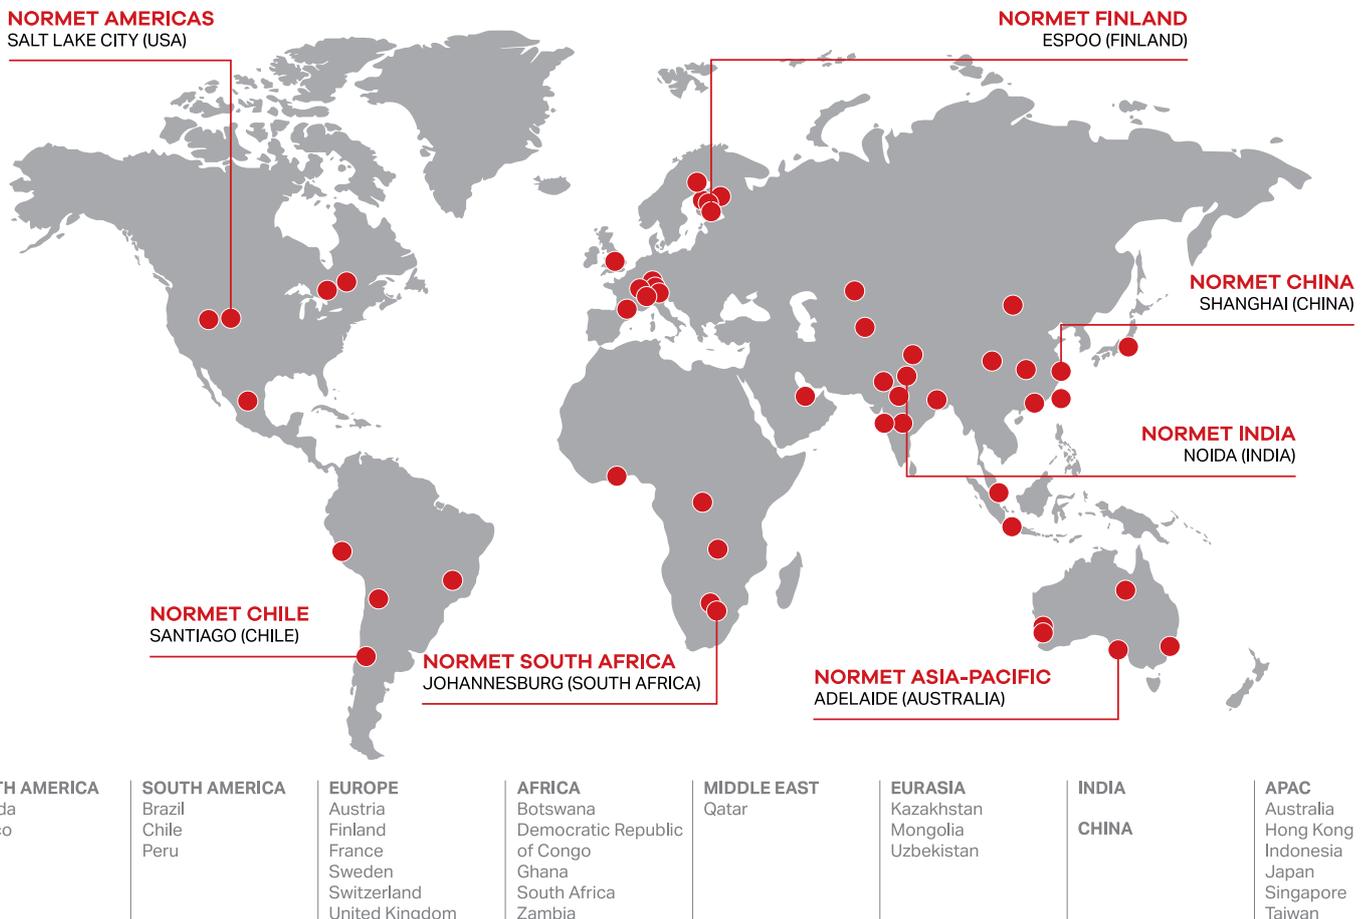

DIGITAL SOLUTIONS

Normet's digital solutions empower smarter operations for purchased or rented equipment. From remote monitoring to advanced analytics and easy parts access via Normet Store, our solutions deliver transparency, safety, and efficiency – helping you optimise performance, reduce downtime and make data-driven decisions.

GLOBAL PRESENCE. LOCAL SUPPORT.

We are looking forward to hearing from you. Please contact our local Normet representative, or visit normet.com for more details.
