

# How to Prescribe DAYBUE™ With the Support of Acadia Connect®

This resource will help you understand how to prescribe DAYBUE and how Acadia Connect provides support throughout the process.

## How to Get Started

- 1 To prescribe DAYBUE, complete the **DAYBUE Prescription and Enrollment Form**. Download the form at **AcadiaConnect.com**
- 2 Submit the completed, signed form via fax to Acadia Connect at **1-888-385-2748** or email to **DAYBUE@AcadiaConnect.com**

If coverage is approved, Acadia Connect will coordinate with AnovoRx Specialty Pharmacy to ship DAYBUE to the patient's family or caregiver.

Please note, **a patient, parent, or legal guardian consent is required** for patients to receive the full range of support offerings from Acadia Connect.

## Acadia Connect Consists of a Dedicated, Experienced Support Team

### Family Access Manager:

Provides access expertise, information about the product and coverage processes, education about potential side effects, and resources for healthcare providers, parents, and caregivers of patients prescribed DAYBUE

### Nurse Care Coordinator:

Welcomes you, your patient, and the patient's caregiver to Acadia Connect and provides support throughout the treatment journey

## Connecting Your Patients with Financial Assistance

### Acadia Connect® Copay Program:

Eligible patients with commercial insurance may pay as little as \$0 per month for DAYBUE after being automatically enrolled in the Acadia Connect Commercial Copay Program\*

\*Terms, conditions, and program maximums apply. This program is not open to patients receiving prescription reimbursement under any federal, state, or government-funded healthcare program. Not valid where prohibited by law.

### Acadia Connect® Patient Assistance Program:

For patients who do not have insurance, or situations in which DAYBUE is not covered by their insurance plan, Acadia Connect can provide assistance options, such as the Acadia Connect Patient Assistance Program

- Acadia Connect can check to see if a patient qualifies based on the program's eligibility criteria
