- 1. Apologies, previous minutes and matters arising**  
(note that the July meeting was cancelled) *(6:00 to 6:20)*
- 2. Beelines** <https://mappinggm.org.uk/beelines/>  
Many CUG members are already aware of the new Beelines map, and the option for commenting on the initial proposals. There will be a discussion at the meeting to encourage participation in this process as much as possible. To make a comment, click the comment button on the map, and choose the area about which you would like to make a comment  
*(6:20 to 6:50)*
- 3. Stockport Walking and Cycling strategy, and Local Cycling and Walking Infrastructure Plan (LCWIP)**  
Latest process and timescale details for these will be shared with the group  
*(6:50 to 7:00)*
- 4. A6 to Manchester Airport Relief Road: a day of community sporting activities Sunday 7th October**  
<http://www.semmms.info/come-and-explore-the-new-relief-road-on-7th-october/>  
The Relief Road is nearly finished, and we want to give you a chance to come and explore it for yourself before it opens to traffic! A day of community sporting activities for all the family will be taking place on the new road; an up-close look at the work that's been taking place will also be possible  
*(7:00 to 7:10)*
- 5. Updates on Cycle City Ambition Grant (CCAG), Town Centre (TCAP), and Mayoral Challenge Fund**  
Providing updates on various schemes involving cycle infrastructure, including those currently under construction  
*(7:10 to 7:25)*
- 6. Trans Pennine Trail (TPT): current Town Centre diversion for the remainder of 2018**  
This is in place as a consequence of TCAP-related works along Chestergate, and has involved TPT reps  
*(7:25 to 7:35)*
- 7. Any other business** *(7:35 to 7:45)*
