

This agreement is for the Early Years Registered Provider to collect information from the Parent/Carer of the funded child to enable a claim to be made for early education funding. This Parental Agreement **MUST** be made available to the local authority for audit purposes. These are important as you have a data protection responsibility to inform parents why we need their information and how we are going to use it. The retention period for Parental Agreement is the current year plus 4.

**Parental Agreement:
