

## Allocation of places at Stockport Secondary Schools for September 2024

The tables below indicate how places have been allocated for each school using their published oversubscription criteria.

If you have been refused a place at a preferred school(s) it is because your child's application was not reached at the point the school(s) became full to their Published Admission Number. Your child's name is on the waiting list for each of your preferred schools (providing they're in Stockport). Offers of school places will be made to children on the waiting lists if and when places become available at a later stage.

A small number of children have not been allocated a place at any of the schools expressed on their application form, in which case, a place has been allocated at the nearest available school with room (NASWR). This is in line with Stockport's Published Admissions Policy.
