PLEASE BRING YOUR OWN PEN OR PENCIL FOR REGISTRATION. THANK YOU.

The Public Transport details in this Walkaday Programme CANNOT BE GUARANTEED. You are advised to CHECK BEFORE you leave home, each time you plan to do a walk. Check with the Transport Provider.

PLEASE BRING YOUR OWN PEN OR PENCIL FOR REGISTRATION. THANK YOU.

LOTS of USEFUL INFORMATION on the following pages ...

The following pages have some vital information for you to use and refer to throughout the next three months - updated 29/10/25.

31/03/25-31/03/26 – Closure of Greek Street Roundabout – See Network Rail website for essential details affecting buses, trains and traffic diversions. If things continue to go to plan, by the end of THIS WALKADAY WINTER 2026 PROGRAMME: 31/03/26, Greek Street Roundabout and new bridge should be re-opening. YIPPEE!

BUS STRIKES, TRAM STRIKES or RAIL STRIKES

If a BUS, TRAM or RAIL STRIKE prevents access to a walk, which has no alternative Bus/Tram/Train access, that walk would have to be CANCELLED, regrettably.

ALL TRAIN Timetables changed nationwide on December 13th 2025 but there are regular updates where engineering work is taking place. CHECK Rail websites.

BUS Timetables change all too frequently BUT apparently NONE is scheduled to change at the beginning of January.

CHANGES to Bus Stands at Stockport Bus Station have taken place several times in 2025 - DO CHECK.

METROLINK TRAMS seem to 'do their own thing'.

N.B. 'Train via ...' = where to book/pay from for Concessionary passengers = this indicates the relevant Greater Manchester Boundary for journeys beyond G.M. boundaries.

County boundaries affect [a] Bus prices, [b] How many times you may be asked to pay for another Bus ticket OR enquire about different Bus tickets, which are available for your particular journey. Do make enquiries.

When buying Rail Tickets for Walkaday walks, usually book Off-Peak Day Return, Anytime or Advance Singles. Those walkers aged 60 or over are advised to invest in a Senior Railcard. Those who have 'Concessionary Bus Passes' are advised to pay the extra £10 p.a. to extend the 'free' use of Train and Tram travel within Greater Manchester County Boundaries – a wonderful saving for Walkaday walkers, who are GM residents/GM Council Tax-payers.

Do remember to renew this £10 payment each year! Note your OWN DATE for renewal.

NEW, SIMPLER RAIL FARE SYSTEM for Greater Manchester from 07/12/25 - announced 07/11/25

WALKADAY abbreviations: STOCKPORT BUS STATION: 'SK BS'; STOCKPORT RAIL STATION: 'SPT'

Stockport Interchange takes-up too much space

N.B. - SPS = St. Peter's Square in the centre of Manchester for MET Tram

LR = Late Return BS = Bus Station VC = Visitor Centre ES = EARLY START

MAN. PICC. CLOSED 14/02-22/02/26 - RRP to/from SPT affecting walks on 17, 18 & 20/02/26

New CAR PARK CHARGES proposed by SMBC in 2025, affecting many Stockport Borough walk locations for Walkaday. Will these charges commence in 2026?

Marple walks now start 'Outside Marple Costa', where we may use their 'Community Toilets'.

N.B.

DO CHECK ALL WEBSITES regarding PUBLIC TRANSPORT for the many upheavals with TRAINS, TRAMS, BUSES

It is **CRUCIAL** that you **CHECK ALL TRANSPORT INFORMATION BEFORE** you set-out for any/every Walkaday walk.

**The ACCURACY of TRANSPORT INFORMATION in THIS DOCUMENT IS NOT GUARANTEED, especially from 31/03/25-31/03/26

For more information or to get in touch with us, please contact us by visiting our [contact us page](#) or by calling our 24-hour national helpline on 03457 11 41 41.

We are encouraging local residents to sign up for our digital notifications at networkrail.co.uk/sign-up. You'll be emailed about any upcoming railway work in your area.

Continued from OUR AUTUMN PROGRAMME 2025 - THE TIME of SUNSET on the dates when Sunset is 4.15pm or earlier appears from 13/11/25 to 09/01/26. The WALKS should all finish in daylight BUT homeward travel will almost certainly be in the dark.

The Sunset statement is at the end of our middle column - WALK DETAILS - e.g. Sunset: 4.13pm.

Please do not confuse THE TIME of SUNSET with THE TIME of THE START of EACH WALK.

We give you details about your OUTWARD PUBLIC TRANSPORT journey[s] to the start of each walk.

We also advise you regarding the existence of HOMEWARD PUBLIC TRANSPORT back to Manchester or Stockport.

For the outward journey, we advise you where to book from and where to pay from for Rail transport - the 'Train via ...' tells you this. However, we do not have space to give you details for the homeward journey or the 'Train via ...' information, if/when the return journey uses either a different form of Public Transport or a different rail service/rail line. Clues such as 'Single ticket only' will give you advanced warning of this possible variation. We acknowledge that this increases the cost of travel to/from our walks but it also gives you a greater range of walk locations and adventures offered by our enthusiastic, dedicated volunteer leaders.

Please note that leaders carry-out between one and four recces in preparation for each walk, for which they pay their own transport costs on each occasion. 'Thank you' to our volunteer leaders.

Some walks use more than one rail line/service, others use 2 forms of transport.

Walks in 2026 start on Friday, 02/01/26

WALKADAY - 30th ANNIVERSARY – SPRING 2026

THIS YEAR - 2026 will mark our 30th anniversary of the creation of Walkaday in 1996.

We hope to have a special walk, as we did for our 20th anniversary in 2016, when we made our way to the Town Hall to celebrate. This special walk is likely to take place in the Spring Programme.

The anniversary walk format is likely to be a long walk available to ALL walkers past, present and new.

The 30th Anniversary Walk is likely to appear as a 6-to-8-mile-walk BUT there will be different places where you can join and find a shorter distance that suits YOU. For those no longer able to walk, travel into Stockport on the BUS to join-in the final celebration, hopefully in Stockport Town Hall. Watch this space or our Newsletters via email for more information.

Access to more information about Walkaday is available through your email address.

Walkaday has no form of membership: participation is FREE, except for your transport and travel costs. You just turn-up as in the programme's instructions.

**Other information is in the FAQs in our colourful A3 Programme also free, thanks to our SPONSORS: CRP & SMBC
Community Rail Partnerships & Stockport Metropolitan Borough Council**

Current Walkaday AUTUMN Programme/aka 'Calendar':

<https://www.stockport.gov.uk/documents/walkaday-calendar-documents>

Daily EVENTS for Walkaday walks during any one week [mainly four walks per week]:

<https://www.stockport.gov.uk/events/?tag=Walkaday>

To find Stockport Walkaday events, visit the [Stockport Council website's Walkaday page](#) or use their main events page, where you can filter for "Walkaday" events to see upcoming walks and access the [Walkaday calendar](#). The Walkaday programme offers a variety of free, group-led walks of varying lengths across the Stockport area and beyond, in several different counties, with options to download the current programme.

How to find Walkaday events:

1. Visit the official webpage: Go to the Stockport Council Walkaday page.

2. Use the main events calendar: Check the main [Stockport Council events calendar](#) and filter for events tagged with "Walkaday".
3. Download the programme: You can download the current Walkaday calendar to print at home for the latest schedule.

What to expect:

- Free walks: Walkaday walks are free to attend.
- Guided walks: These are group-led walks.
- Variety of lengths: Walks can be circular or **linear** and vary in distance, typically 4-4.5 miles or less on Tuesdays & Thursdays aka T/Ts, though longer options are also available 6-9 miles on Wednesdays or Fridays aka W/Fs, which might be more challenging.
- Different starting points: Walks begin at various locations, such as village halls and bus stops and take place in up to 9 different counties across each year.
- On the Programme/Calendar, **walks in bold print are Linear walks with different starting and finishing places**, whereas ordinary print indicates Circular walks, which start and finish at the same place.
- Walkaday is organised around Public Transport, so that it is available to everyone who is fit enough to do the walks, which can be over rough ground and frequently include stiles.

- The Stockport 'events' site will also give you road travel directions to the various starts but the public transport shown in the programme takes walkers to the specified starting place.
- We do encourage you to use Public Transport and 'save the planet'.

Come and join us
