PLEASE BRING YOUR OWN PEN OR PENCIL FOR REGISTRATION. THANK YOU.

The Public Transport details in this Walkaday Programme CANNOT BE GUARANTEED. You are advised to CHECK BEFORE you leave home, each time you plan to do a walk. Check with the Transport Provider.

LOTS of USEFUL INFORMATION on the following pages ...

The following pages have some vital information for you to use and refer to throughout the SPRING months - recently updated.

PLEASE BRING YOUR OWN PEN OR PENCIL FOR REGISTRATION. THANK YOU.

31/03/25-31/03/26 - Closure of Greek Street Roundabout: See Network Rail website for essential details affecting buses, trains and traffic diversions. If things continue to go to plan, by the end of our WALKADAY WINTER 2026 PROGRAMME: Greek Street Roundabout and new bridge should be OPEN and IN USE from 31/03/26. YIPPEE!

BUS STRIKES, RAIL STRIKES or TRAM STRIKES

If a BUS, RAIL or TRAM STRIKE prevents access to a walk, which has no alternative Bus/Tram/Train access, that walk would have to be CANCELLED, regrettably.

ALL TRAIN Timetables will change nationwide again on MAY 16th 2026 BUT there are also regular updates where engineering work is taking place. CHECK Rail websites.

BUS Timetables have been changing all too frequently for a number of years BUT the beginning of January 2026 saw NO CHANGES this time UNTIL NOW – end of January 2026! Will CHANGES happen AGAIN in the SPRING? – DO CHECK.

CHANGES to Bus Stands at Stockport Bus Station took place several times in 2025 - DO KEEP CHECKING in 2026.

METROLINK TRAMS seem to 'do their own thing'..... KEEP CHECKING.

TRAINS: Walkaday Jargon for TRAIN BOOKINGS and PAYMENT:

N.B. 'Train via ...' = where to BOOK/PAY from for Concessionary passengers = this indicates the relevant Greater Manchester Boundary Rail Station for journeys beyond G.M. boundaries.

COUNTY BOUNDARIES affect Buses too: [a] Bus prices, [b] How many times you may be asked to pay for another Bus ticket OR enquire about different Bus tickets, which are available for your particular journey. Do make enquiries.

NEW ANNOUNCEMENT - 07/12/25 re. RAIL TICKET PAYMENTS

When buying Rail Tickets for Walkaday walks, usually book Off-Peak Day Return or Advance Singles. Those walkers aged 60 or over are advised to invest in a Senior Railcard. Make sure that you 'USE' YOUR Senior Railcard for EVERY BOOKING.

Those who have 'Concessionary Bus Passes' are advised to pay the extra £10 p.a. to extend the 'free' use of Train and Tram travel within Greater Manchester County Boundaries – a wonderful saving for Walkaday walkers, who are GM residents/GM Council Tax-payers. Ensure you 'USE' the card for EVERY BOOKING.

Do remember to renew this £10 payment each year! Note your OWN DATE for renewal.

WALKADAY abbreviations: STOCKPORT BUS STATION: 'SK BS'; STOCKPORT RAILWAY STATION: 'SPT'

Stockport Interchange takes-up too much space

N.B. - SPS = St. Peter's Square in the centre of Manchester for MET Tram info.

LR = Late Return BS = Bus Station VC = Visitor Centre ES = EARLY START inc = including

NEW CAR PARK CHARGES BEGAN in JANUARY 2026

New CAR PARK CHARGES proposed by SMBC to commence in 2025, affecting many Walkaday walk locations in Stockport Borough came into force in January 2026.

Most BUT NOT ALL Marple walks now start 'Outside Marple Costa', where we may use their 'Community Toilets'.

N.B.

DO CHECK ALL WEBSITES regarding PUBLIC TRANSPORT for the many upheavals with TRAINS, TRAMS & BUSES.

It is CRUCIAL that you CHECK ALL TRANSPORT INFORMATION BEFORE you set-out for any/every Walkaday walk.

Working on the assumption that the GREEK STREET PROJECT will have been completed ON TIME = MARCH 31st 2026, the huge section of 'Greek Street' information has been omitted from THIS, SPRING 2026 Programme, as no longer relevant.

However, I have left the Greek Street Project website available below – just in case.

The ACCURACY of TRANSPORT INFORMATION in THIS DOCUMENT IS NOT GUARANTEED

Check with the Public Transport provider[s] or Network Rail or National Rail

We give you details about your OUTWARD PUBLIC TRANSPORT journey[s] to the start of each walk.

We also advise you regarding the existence of HOMEWARD PUBLIC TRANSPORT back to Manchester or Stockport.

For the outward journey, we advise you where to book from and where to pay from for Rail transport = our 'Train via ...' tells you this information. However, we do not have space to give you details for the homeward journey or the 'Train via ...' information, if/when the return journey uses either a different form of Public Transport or a different rail service/rail line. Clues such as 'Single ticket only' will give you advanced warning of this possible variation. We acknowledge that this increases the cost of travel to/from our walks but it also gives you a greater range of walk locations and adventures offered by our enthusiastic, dedicated volunteer leaders.

Please note that leaders carry-out between one and four recces in preparation for these walks, for which they pay their own transport costs on each occasion. 'Thank you' to our volunteer leaders.

Some walks use more than one rail line/service, others use 2 forms of public transport, possibly 3 forms of public transport.

WALKADAY - 30th ANNIVERSARY – SUMMER 2026 – WED., JULY 8th 2026

THIS YEAR - 2026 marks our 30th anniversary of the creation of Walkaday in 1996.

We are planning a special walk, as we did for our 20th anniversary in 2016, when we made our way to the Town Hall to celebrate.

This special walk is to take place in the SUMMER Programme, on WEDNESDAY, JULY 8th.

The walk format is likely to be a long walk available to ALL walkers past, present and new BUT although the 30th Anniversary Walk is likely to 'appear' as a 6-to-8-mile-walk, there will be different places where you can join-in and do a much shorter distance which suits YOU, such as 6 or 4 or 2 miles. For those who are no longer able to walk, DO JOIN US - travel into Stockport on the BUS to join-in the final

celebration, hopefully in Stockport Town Hall.
Further details will be in Newsletters or 'mail-drop' via email.

Access to more information about Walkaday is available through your email address.

Walkaday has no form of membership. Participation is FREE, except for your transport and travel costs.
You just turn-up as in the programme's instructions.

Other information is in the FAQs in our colourful A3 Programme
also free, thanks to our SPONSORS: CRP & SMBC

Daily EVENTS for Walkaday walks during any one week [mainly four walks per week]:

<https://www.stockport.gov.uk/events/?tag=Walkaday>

**UPDATES/CHANGES/CANCELLATIONS ARE USUALLY on THIS WEBSITE
on the EVENTS/TODAY page for CANCELLATIONS and on the CALENDAR PAGE for CHANGES**

To find Stockport Walkaday events, visit the [Stockport Council website's Walkaday page](#) or use their main events page, where you can filter for "Walkaday" events to see upcoming walks and access the [Walkaday calendar](#). The Walkaday programme offers a variety of free, group-led walks of varying lengths across the Stockport area and beyond, in several different counties, with options to download the current programme.

How to find Walkaday events:

1. Visit the official webpage: Go to the Stockport Council Walkaday page.
2. Use the main events calendar: Check the main [Stockport Council events calendar](#) and filter for events tagged with "Walkaday".
3. Download the programme: You can download the current Walkaday calendar to print at home for the latest schedule.

What to expect:

- Free walks: Walkaday walks are free to attend.
- Guided walks: These are group-led walks, with a trained leader + a backmarker.
- Variety of lengths: Walks can be circular or **linear** and vary in distance, typically 3.5-4.5 miles or less on Tuesdays & Thursdays aka T/Ts, though longer options are also available 6-9 miles on Wednesdays or Fridays aka W/Fs, which might be more challenging.
- Different starting points: Walks begin at various locations, such as village halls and bus stops and take place in up to 9 different counties across each year.

- On the Programme/Calendar, **walks in bold print are Linear walks with different starting and finishing places**, whereas ordinary print indicates Circular walks, which start and finish at the same place:

<https://www.stockport.gov.uk/documents/walkaday-calendar-documents>

- Walkaday is organised around Public Transport, so that it is available to everyone who is fit enough to do the walks, which can be over rough ground and frequently include stiles.
- The Stockport 'Events' and 'Today' site will also give you road travel directions to the various starts but the public transport shown in the programme takes walkers to the specified starting place:
