

Your Council Tax explained 2026/27

Your Council Tax money goes towards local services such as support for the elderly and vulnerable, for young people and schools, parks maintenance, refuse disposal, street cleaning and many more local services.

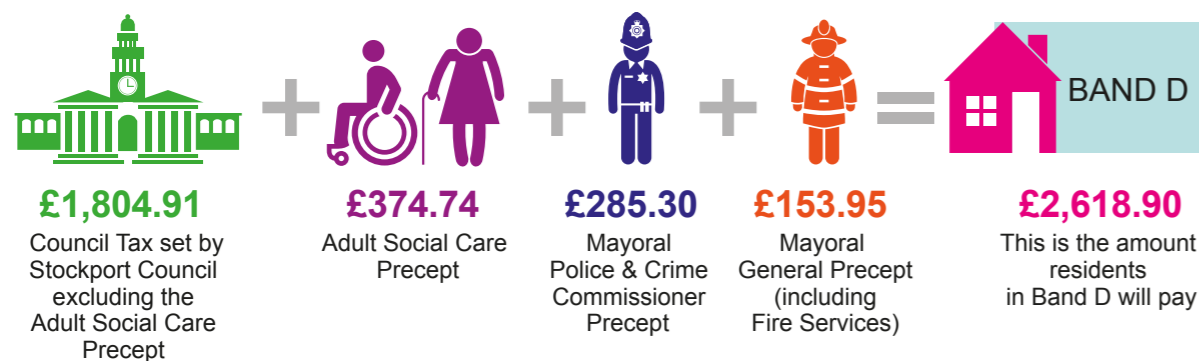

The amount charged depends on the Government's banding of your property which is determined by the property's value. This is shown on your bill.

5 Adult Social Care Precept

The cost of adult care is increasing due to inflationary costs and increasing demand on services which support our elderly and vulnerable residents. As a provider of adult social care services Stockport Council is allowed, by Central Government, to include an Adult Social Care Precept on Council Tax Bills. For 2026/27 this Precept will increase by 2% raising additional income to support the funding of the increasing costs of providing adult social care services.
