

STOCKPORT
METROPOLITAN BOROUGH COUNCIL

CCTV – Subject Access Request Form

This form should only be used to request any personal data which may be held about you on Stockport Metropolitan Borough Council's (SMBC) CCTV system (i.e. images of you captured on CCTV cameras).

SMBC has a network of CCTV cameras in various locations. The CCTV system is operated and managed by Stockport Homes on behalf of the Council. Stockport Homes is a wholly owned company of SMBC. Under The UK General Data Protection Regulation (UKGDPR), SMBC is the Data Controller and Stockport Homes is a Data Processor acting on the Council's behalf. This means that Stockport Homes processes information captured on the CCTV system for purposes specified by SMBC. Although Stockport Homes holds the information collected by the CCTV system, the Council is responsible for ensuring it is processed in compliance with the UK GDPR.

Your rights

The UK GDPR gives individuals the right to ask an organisation for a copy of some or all of the personal data it processes about them. This is called the right of subject access. If you make a Subject Access Request (SAR) to ask for copies of your personal data held on the Council's CCTV system, we will provide you with all the personal data you are entitled to under the UK GDPR within the appropriate timescale.

There may be cases where some or all of your personal data are exempt. This means we do not have to provide you with them. There are a number of circumstances where personal data may be exempt e.g. if they are processed for crime prevention and detection purposes. For further information about your rights under the UK GDPR please see the data protection information on the Council's website:
