This Grade II listed building is a CAMRA award winning pub and Manchester Food & Drink Festival Pub of the Year 2008. It has a distinctive curved bar and hidden snug accessed through the bar. It serves excellent lunchtime meals, including an imaginative specials board. Look out for occasional Cheshire Gala evenings. Vernon Street was formerly a Pig Market and it is said that farmers would tie their pigs up here when popping in for a drink. There is an outside decked balcony and seating area. It sells Old Brewery Bitter and serves lunches from 12noon-2.30pm.

Opening hours are from 12noon to 11pm and until 6.30pm on Sunday.

#### 03 Baker's Vaults

Market Place, SK1 1ES, 0161 477 7312

This excellent Market Place pub has a unique atmosphere, being both relaxed and vibrant. Although it is only a single large roomed pub, it is an architecturally impressive space. Its high ceilings, unusual artwork, twisted wrought metal mirrors and large candlesticks give it a truly gothic feel. Look out for Tuesday night jazz and live bands Thursday to Saturday providing a lively atmosphere from 9.30pm. Beer is Robinson's Hatters, Unicorn and seasonal beers.

Opening hours are from 11am to midnight and 5pm to midnight on Sunday.

This is named after the row of shops that formerly occupied the land. It has one large room with a bar on the right hand side and a seating patio at the front. Along one wall are a series of alcoves which give a degree of privacy to drinkers. A sofa populated area makes for a more comfortable relaxed drink. Its regular beers are Ruddles Bitter, Green King Abbot, Marstons Pedigree and there are a number of changing guest ales. Food is available from breakfast to early evening. There is an outdoor seated area to the rear also.

Opening hours are from 9am to midnight and until 1am on Fridays and Saturdays.

#### 05 Bull's Head

#### 06 Pack Horse

2 Market Place, SK1 1EW,

This was mentioned as being a pub in the 1790s. It was probably rebuilt in the 19th Century where its mock Tudor façade faces St Mary's Church. The bar to the left front is the hub of activity with a public bar feel, whilst two rooms to the right are sparsely decorated. One has a pool table and TV and the other is a quieter snug used for lunches. It serves Tetley Bitter, Copper Dragon, Golden Pippin and changing guest beers.

Opening hours are from 12noon to 11pm and until 10.30pm on Sundays.

#### 07 Old Rectory

48 Churchgate, SK1 1YG, 0161 429 0060

It was converted and extended in 1991 to a multi-roomed pub and restaurant with accommodation in the Premier Inn at the rear. It still maintains a country house feel, with plenty of dark wood and plush décor. The front has a large beer garden with good views over Stockport. Theakston Best Bitter is sold and guest beers, often from micro-breweries. Food is available for most of the day in the conservatory extension. Lunches are served Monday to Friday from 11.45am to 2.45pm.

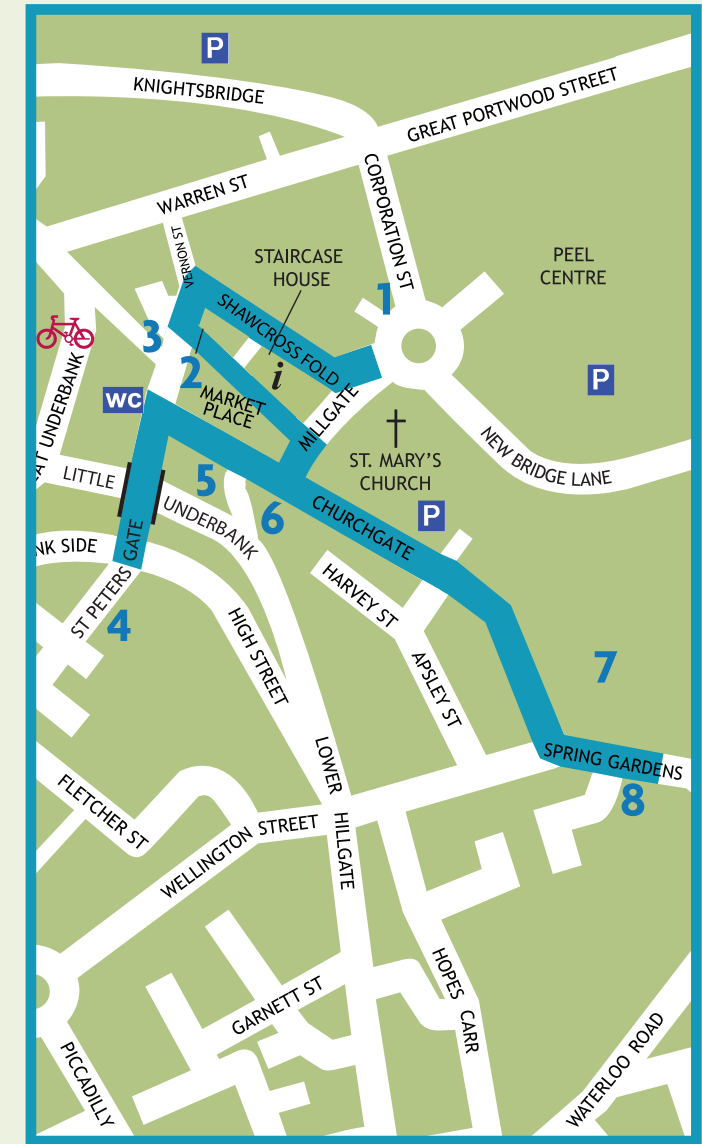

Opening hours are from 9am to 11pm and 4pm to 10.30pm on Sundays.

#### 08 Thatched House

74 Churchgate, SK1 1YJ, 0161 335 1910

This is now a 19th Century building with half timbered upper floors. It was mentioned in 1744 as surgeon Dr Briscall's practice. It is now one of the town's premier venues for live music with mainly heavy rock, metal and punk bands playing on Thursday, Friday and Saturday nights. The beers are Black Sheep Bitter, Wychwood Hobgoblin and guest beers. There is a beer garden with regularly used barbeque. There are usually two changing guest beers and guest cider. Free juke box and pool is often on offer.

It is primarily an evening pub with opening hours Wednesday 8pm - 11pm, Thursday 8pm-1am, Friday 7pm-2am, Saturday 3pm-2am and Sunday 3pm to midnight.

# Welcome to Stockport's first Ale Trail.

This selection of 20 pubs in the town centre has been carefully chosen to reflect something which makes them worth a special visit.

This could be for their range of fine beers or a superb menu.

Some are traditional boozers with an historic setting and pride themselves on serving a quality pint, whilst others offer contemporary surroundings and a relaxed dining experience.

There are those with a small, busy bar or cosy snug whilst others are light and spacious with beautifully kept outdoor courtyards, family facilities and accommodation.

Choose from pubs with a simple juke box, pool table or darts board or others with a weekly programme of live music - rock, acoustic, rhythm & blues, heavy metal, punk or folk.

Some are managed by Stockport's own Brewing Family-Robinson's, are part of large national pub chains or are independent freehouses.

What they all offer is something a little bit different ...which is why we hope you'll find there's something on this Ale Trail for you.

To make it manageable, there are 3 mini Ale Trails which are distinct from each other. They can either be done separately or be joined together if you have more time.

...Remember though you can always come back another day to enjoy the wealth and variety of Stockport's town centre pubs.

The Ale Trails are clearly marked on the map as Red, Blue or Green routes, each one covering a different part of the town centre. These are;

# Underbanks & Hillgate Trail

## Green Route

**09 Three Shires**  
32 Great Underbank, SK1 1NB, 07703 035 629

This was originally the town house of the Legh family of Adlington and probably dates back to 1637. The outside displays fine decorative timber framing. It has recently re-opened under new management and has been redecorated throughout. The pub is narrow, but is deceptively long. There are three main seating areas; a more formal dining area at the front by the large window and main entrance, an area with high stools adjacent to the bar and a larger one at the rear. It serves good pub food at lunchtimes and in the evenings. This pub does not serve real ale.

*Opening hours are from 12noon to 11pm.*

**10 Queen's Head**  
12 Little Underbank, SK1 1JT, 0161 480 0725

This is also known as the Turner's Vaults and is a much prized local hostelry dating back to the 1790s. It has a 3 room layout with the front narrow bar including alcoves and a grandfather clock; a small snug with wood burning stove tucked in the middle and a comfortable, quiet room at the back. The décor has wooden paneling and flooring, pictures of Victorian characters, old advertisements and mirrors. It does do lunchtime bar snacks but is primarily a popular drinkers' pub.

*Opening hours are from 11am to 11pm and from 12noon to 7pm on Sundays.*

**11 Winters**  
Little Underbank, SK1 1LA, 0161 968 1942

The former Winter's Jewellers was converted to a Holts pub some years ago. Its prominent position and shop window frontage with clock and painted figures which strike the hourly chimes make it stand out. It has one room downstairs with a raised area to the rear. A central stairway leads to the plush and comfortable first floor lounge and dining area. From here the internal workings of the splendid automaton clock can be viewed. It serves Holt's Bitter.

*Opening hours are from 11am to midnight and until 6.30pm on Sunday.*

**12 Royal Oak**  
11 High Street, SK1 1EG, 0161 477 9018

This whitewashed Robinson's Pub overlooks the Unicorn Brewery. The interior is compact with a front bar with flat screen TV, a pool table and machines to the right and towards the rear, a place with tables, chairs and darts board. The pub has been smartened up in recent times to give a clean, airy look. It serves Robinson's Hatters and Unicorn beer. A lunchtime menu has been introduced.

*Opening hours are from 12noon to 11pm and until 10.30pm on Sundays.*

**13 Red Bull**  
14 Middle Hillgate, SK1 3AY, 0161 480 1286

This imposing pub with its white exterior and well worn front steps have made it a favourite on the 'Hillgate Stagger'. Its substantial refurbishment in 2008 has thankfully made the outside toilets a thing of the past! The pub has six different eating areas including space in front of the long bar, a snug and an old cottage style lounge. The décor is light, airy and elegant and the furniture of various kinds is comfortable. There are open fires, stone flagged floors and pictures of rural Stockport adorn the walls. It has a modern, contemporary feel. There is an extensive menu providing both lunchtime and evening meals. Beers served include Robinson's Hatters, Unicorn and seasonal beers. There are also rooms furnished upstairs to provide overnight accommodation.

*Opening hours are from 12noon to 11pm and until 9pm on Sundays.*

**14 Sun & Castle**  
54 Middle Hillgate, SK1 3EH, 0161 476 0896

A narrow frontage hides a large pub interior. This is a good example of a Holt's traditional style of décor with a long vault, a large lounge and a snug. The attractive bar has lots of wood paneling and together with a fire gives this pub a warm, welcoming feel. It serves Holt's Mild, Bitter and Joey's. It is a clean and well upholstered house. Sing-a-longs are popular at weekends.

*Opening hours are from 11am to 11pm and from 12noon to 10.30pm on Sundays.*

**17 Swan with Two Necks**  
36 Princes Street, SK1 1RY, 0161 480 2341

This is a narrow mock Tudor half timbered front but is a deceptively deep Grade II listed building. The wood panelled interior dates from a refurbishment in 1926. A corridor leads past the front room, bar and middle skylighted room to a snug with fireplace and outdoor area. It serves Robinson's Hatters Mild, Dark Mild, Unicorn Bitter, guest beer and Old Tom in the winter. There is a large public car park at the rear.

*There is good lunchtime food from 12noon-3pm with outside seating in summer. It can be quiet in the evening and may close at 8pm early in the week.*

8 Tiviot Dale, SK1 1TA, 0161 480 4109

This is a splendid traditional town centre pub serving Robinson's Hatters and Unicorn. There is a dining room at the rear and a cosy lounge at the front with a long room behind. It serves modestly priced food from 12noon-2pm Tuesday to Saturday. The Landlord has lived here since 1965 and has been licensee for the last 30 years - so you can ask him about the ghost in the cellar! It is one of the few pubs retaining a vault, with pictures of old aircraft which were donated when the RAF offices opposite, closed. There is a tiled entrance bearing the name of the pub on the floor. Pictures of steam engines decorate the walls.

*Opening hours are from 12noon to 11pm and until 4pm on Sundays.*

**19 Queens**  
11 Great Portwood Street, SK1 2DW, 0161 480 7144

This is a detached rendered building directly opposite the Peel Centre. It sells Robinson's Hatters Mild and Unicorn Bitter dispensed into oversized glasses in measured quantity. There is a bar along the rear wall which serves all areas of an open planned room. Low stained glass screens and bench seating create well furnished individual areas. This was redecorated in 2008 and pictures of old Stockport hang on the walls.

*Opening hours are from 12noon to midnight each day of the week.*

**20 Railway**  
1 Avenue Street, SK1 2BZ, 0161 429 6062

This CAMRA award winning pub is also opposite the Peel Centre and only a few yards up from the Queens. It is an ordinary pub from the outside but worth a visit for its impressive range of ales including Pennine Floral Dance, Hameldon Bitter, Railway Sleeper, Sunshine, Porter, seasonal beers, guest beers, real ciders and a stunning range of continental, Trappist beers and lagers - which can be served in beautifully shaped, authentic Belgian glasses if you ask. It is also one of the few pubs in the town where you can practice your bar billiards skills. Drinks are served from a single L shaped bar into a large lounge by enthusiastic and knowledgeable staff. There is a cider festival held each August.

*Opening hours are from 12noon to 11pm and until 10.30pm on Sundays*

# Local Breweries

## What's Brewing?

**Robinson's, Stockport**  
When it comes to brewing a good pint, local brewers, Robinson's know a thing or two... well they have been doing it since 1838!

From small beginnings in Lower Hillgate, the Robinson Family has continued to expand their famous brewery in Stockport. Today that estate now numbers 400 pubs covering an area from Greater Manchester to North Wales and from the Midlands to the Lake District.

That tradition can be shared on regular tours of the brewery. As well as savouring the fresh taste of raw ingredients, experienced guides will explain unusual brewing terms like mashing, wort and rousing, whilst visitors can sample cask conditioned beers, buy a memento and see the magnificent shire horses and dray.

Robinson's best fine ales include Hatters, Dark Hatters, Old Stockport, Unicorn, Double Hop, Old Tom, Chocolate Tom and seasonal beers like Dizzy Blonde.

*To arrange a tour, call 0161 480 6571 or email: tours@frederic-robinson.co.uk*

**3 Rivers, Reddish**  
This is a welcome addition to the Stockport drinking scene. Their beers can be found in many local pubs and include GMT, Manchester IPA, Hillary Gold, Old Disreputable and Yummy Figgy Pudding. The brewery can handle tours, tastings and brewing courses.

**Cellar Rat, Heaton Norris**  
Local brewer, Sarah Bergin, honed her skills at the Crown Inn on Heaton Lane. Her love of cask beer has helped her to develop a range of innovative beers under the Cellar Rat brand. She picked up the Stockport Beer & Cider Festival award for her pale, hoppy brew - Rosy Rat.

**Hydes, Manchester**  
This is a traditional brewer and previous winner of the Cask Champion award. Favourite tipples are 1863, Owd Oak and Jekyll's Gold.

**Holt's, Manchester**  
This brewery has a reputation for distinctive, full flavoured ales and a range of seasonal beers.

**Beartown, Congleton**  
Many examples from this brewer's splendid range can be sampled across Stockport. Look out for Bear Ass, Bearnskinful, Polar Eclipse and Black Bear.
