

Ref: PMRD/NM88

Date: As Received by Traffic Services

APPLICATION FOR A DISABLED PERSONS PARKING FACILITY

Highway Authority criteria for the above application is as follows:

(Please Circle/Delete Y (Yes) or N (No) as appropriate)

1	Are you, the applicant, in possession of a Blue Badge? Please enclose a photocopy of both sides of the document, showing both the photograph and the expiry date.	Y / N
2	Is the only place you can park your vehicle on the highway (i.e. the property does not have an accessible driveway/ off street parking location or there is no space to create one)?	Y / N
3	Is applicant the driver of the vehicle or, is applicant's carer the driver of the vehicle and resides at the same address as the applicant? Please enclose a photocopy of the vehicle registration document/lease agreement and, if necessary, proof of carers residency at the applicants address (i.e. a bill in carers name under 3 months old).	Y / N

When you have indicated Yes or No to the above questions, please complete the details on the application form overleaf and return it to Traffic Services in the enclosed pre-paid envelope; or, email it to the address provided. An Officer will then assess your application and contact you. The location proposed for a space will be reviewed in line with Highway Regulations and The Highway Code. If the places available are not in line with requirements the request will not be implemented.

PLEASE NOTE: It is the responsibility of the applicant to inform the Council of any change of situation that would lead to the facility no longer being required. This would include moving to another address, or a change of circumstances that means you no longer qualify for a Blue Badge.

If such a facility is provided, please be aware that the facility can be used by 'any' person in possession of a Blue Badge.
